DRAFT FINDINGS OF THE HEARING OFFICER
COUNTY OF LOS ANGELES
PROJECT NO. 03-315 - (2)
TENTATIVE TRACT MAP NO. 54032

1. The Hearing Officer of Los Angeles County, Mr. Paul McCarthy, considered Tentative Tract Map ("TR") No. 54032 on August 7, 2012.

2. TR 54032 is a request to create one multi-family lot with eight condominiums on 0.28 acre within R-3 (Limited Multiple Residence - 5000 Square Feet Minimum Required Lot Area) Zone. The project site is located at 14615 Chadron Avenue in the Gardena Valley Zoned District.

3. The project was filed with the Los Angeles County Department of Regional Planning ("Regional Planning") on October 9, 2003. The Los Angeles County Subdivision Committee last met on December 8, 2003 to discuss the subject project. Holds were placed on the project. The requested materials were never submitted and no activity has occurred on the project since that time. The last time extension for this project granted by the Director of the Los Angeles County Department of Regional Planning expired on December 28, 2006.

4. Since the applicant failed to provide the requested information and/or materials, there is insufficient information to determine the feasibility of the project design, general plan consistency or whether approval of the map would be in the public interest, pursuant to Section 21.40.160 (Advisory Agency Determination Authority) of the Los Angeles County Code ("County Code"). Because of this, the Subdivision Committee is unable to recommend a final action to the Advisory Agency.

5. Staff sent a letter to the applicant dated July 5, 2012 informing the applicant that pursuant to Section 21.16.060 (Public Hearings) and Section 21.40.110 (Matters Required to Complete Submittal and Filing) of the County Code, the case would be scheduled before a Hearing Officer for denial due to inactivity on August 7, 2012.

6. The July 5, 2012 letter also directed the applicant to contact Regional Planning staff within 30 days for the project to remain active. After contacting Regional Planning staff, the applicant was required to provide a revision to the tentative map and/or submit other requested information within 90 days of the date of the July 5, 2012 letter.

7. The applicant has failed to submit the required materials within the required timeframe (30 days), which was by August 4, 2012.

8. SUMMARY OF EVENTS AT THE HEARING OFFICER MEETING.

   THEREFORE, in view of the findings of fact presented above, **Tentative Tract Map No. 54032 is DENIED.**
