6-2-08 - To Los Angeles County
- Regional Planning re District #33.
Elizabeth Lake & Lake Hughes.
- From Robert Harmon (~~along~~ with 2
associates) owns 6 lots in Elizabeth Lake.

I think the district needs a minimum of a mercantile store & an auto repair shop. Of course, in event that a larger development project (of which I've heard rumors) goes in, more business, retail stores would be needed.

- Please keep me informed. Thanks.
