NOTE: SEATAC meetings are informal working sessions, open to public for observation and brief comment related to biology. Members are appointed volunteers in an advisory capacity. Minutes are prepared by planning staff from notes and tape. Visitors are advised to take proper notes and/or record the session. Issues not discussed by SEATAC do not imply tacit approval. New or clarified information presented in subsequent submittals may raise new issues and may require further analysis. Minutes are generally approved at the next SEATAC meeting. Draft minutes may be requested but are subject to revision.
