ALCOHOLIC BEVERAGE SALES BURDEN OF PROOF

Pursuant to Zoning Code Section 22.56.195, the applicant shall substantiate the following:

(Do not repeat the statement or provide Yes/No responses. If necessary, attach additional pages.)

A. That the requested use at the proposed location will not adversely affect the use of a place used exclusively for religious worship, school, park, playground, or any similar use within a 600-foot radius.

B. That the requested use at the proposed location is sufficiently buffered in relation to any residential area within the immediate vicinity so as not to adversely affect said area.

C. The requested use at the proposed location will not result in an undue concentration of similar premises; a separation of not less than 500 feet shall not be construed as undue concentration; provided, however, that the planning agency may find that the public convenience or necessity for an additional facility selling alcoholic beverages for off-site consumption, outweighs the fact that it is located within a 500-foot radius of any other facility selling alcoholic beverages for either on-site or off-site consumption, in which case the shelf space devoted to alcoholic beverages shall be limited to not more than five percent of the total shelf space in the establishment.

D. That the requested use at the proposed location will not adversely affect the economic welfare of the surrounding community.

E. That the exterior appearance of the structure will not be inconsistent with the exterior appearance of commercial structures already constructed or under construction within the immediate neighborhood so as to cause blight, deterioration, or substantially diminish or impair property values within said neighborhood.
