***(Do not repeat the statement or provide Yes/No responses. If necessary, attach additional pages.)***

No application will be accepted for any live cat (Family *Felidae*), except house cats (*Felis Domesticus*) unless the applicant produces a valid permit approved by the California Department of Fish and Wildlife.

LOS ANGELES COUNTY HEALTH CODE ORDINANCE NO. 7583, CHAPTER VII:

Sec. 608. Domestic Animals. A person shall not keep any animal, fowl or bird, wild or domestic, other than cats, dogs, and canaries, or birds of the *psittacine* family within thirty-five (35) feet of any restaurant, food establishment, residence, or dwelling, or other building used for the habitation of human beings, or within one hundred (100) feet of any school buildings, hospital building, or similar institution building. It shall be unlawful to keep or maintain a premise, yard, coop, or building in which fowl or animals are maintained in a foul or unsanitary condition. The provisions of this Section regarding distances shall not apply to accredited laboratories regulated by the State Department of Public Health.

<p><b>B.1. The reports from the Directors of the County Departments of Animal Care and Control and Public Health indicate that such animals may be reasonably maintained as specified in the application.</b></p>
<p><b>B.2. The requested animal or animals at the proposed location will not jeopardize, endanger, or otherwise constitute a menace to the public health, safety, or general welfare.</b></p>

B.3. The proposed site is adequate in size and shape to accommodate the animal or animals requested without material detriment to the use, enjoyment or valuation of property of other persons located in the vicinity of the site.
