FINDINGS
RENEWABLE ENERGY PROJECTS –
MODIFICATION OF DEVELOPMENT STANDARDS

Pursuant to Zoning Code Section 22.140.510, the applicant shall substantiate the following:

(Do not repeat the statement or provide Yes/No responses. If necessary, attach additional pages.)

A. That due to topographic or physical features of the site, strict compliance with all the required development standards would substantially and unreasonably interfere with the establishment of the proposed project on the subject property.

B. That the requested modification would not be contrary to the purpose of Section 22.140.510.
