TENTATIVE TRACT MAP NO. 50187
CONDITIONAL USE PERMIT NO. 91002
ENVIRONMENTAL ASSESSMENT NO. 91002**

Dear Applicant:

A review of our records shows that a request for 16 single-family lots and a conditional use permit for hillside management was filed with the Los Angeles County Department of Regional Planning ("Regional Planning") on January 2, 1991. The Los Angeles County Subdivision Committee last met on February 4, 1991 to discuss the subject project. No activity has occurred on the project since that time, and the last time extension granted by the Director of Regional Planning expired on July 11, 1994.

Pursuant to Los Angeles County Code ("County Code"), Sections 21.16.060, 21.40.110, and 22.56.060, related to inactivity, failure to submit required application materials, and lack of information, the project identified above **will be scheduled for denial** before a Los Angeles County Hearing Officer on **February 7, 2012**.

If you wish to keep this project active, please send a written request to Regional Planning Land Divisions Section, Room 1382, 320 West Temple Street, Los Angeles, CA 90012, Attention: Lynda Hikichi. This correspondence must be received within **30 days from the date of this letter** in order to avoid being scheduled for denial. After responding to this letter within 30 days, you must submit a revision to the tentative map and/or other requested information within 90 days of the date of this letter or this project will be automatically scheduled for denial at the next available Hearing Officer meeting.

If you have any questions, you may contact Lynda Hikichi at (213) 974-6433. Our office hours are Monday through Thursday, 7:30 a.m. to 5:30 p.m. Our offices are closed on Fridays.
