SUBJECT: AGUA DULCE AIRPARK FIELD TRIP

Please find the attached correspondence from Supervisor Antonovich regarding the March 5, 2005, field trip to the Agua Dulce Airpark. Several local residents have requested that the Commission observe the operation of the Agua Dulce Airpark at their perspective homes during the field trip. Supervisor Antonovich supports this request and staff has identified two potential field locations on the attached map.

If you need further information, please call Mr. Sam Dea of my staff at (213) 974-6443 or sdea@planning.co.la.ca.us. Department office hours are Monday through Thursday from 7:00 a.m. to 6:00 p.m. The Department is closed on Fridays.

Hand-Delivered

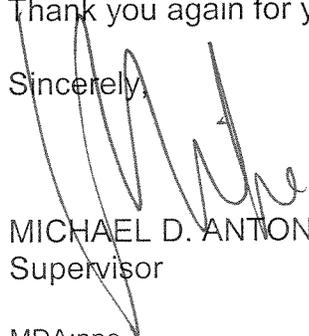

Honorable Commissioners:

Thank you for your review of the issues surrounding the Agua Dulce Airpark in response to my motion calling for a revocation/modification hearing. I appreciate your thoughtful consideration of the range of opinions on this important land-use case.

It is my understanding that you will be visiting the Agua Dulce Airpark this Saturday. Several residents of Agua Dulce have contacted my office suggesting that the commissioners visit one or more residential properties adjoining the Airpark. Given the noise issues relative to the Airpark, I support these requests. It is critical that the commissioners have a thorough perspective on the impacts that the Airpark does or does not have upon surrounding residences.

Thank you again for your thoughtful consideration of this matter.

Sincerely,

MICHAEL D. ANTONOVICH
Supervisor
