**FINDINGS OF THE HEARING OFFICER
COUNTY OF LOS ANGELES
PROJECT NO. PM061826-(5)
TENTATIVE PARCEL MAP NO. 061826**

1. The Hearing Officer of Los Angeles County, Mr. Mitch Glaser, considered Tentative Parcel Map No. 061826 ("PM 061826") on November 2, 2010.
2. PM 061826 is a proposal to create one multi-family lot with three new condominiums on 0.13 acres. The subject site is located at 4428 Ocean View Boulevard, Montrose, within the Montrose Zoned District.
3. The project was filed on January 4, 2005. The Los Angeles County Subdivision Committee ("Subdivision Committee") last met on March 21, 2005 to discuss the project. Several holds were placed on the project, including a request for a revised exhibit map depicting proposed condominium footprints. The requested materials were never submitted and no activity has occurred on the project since that time. The last time extension for this project was granted by the Director of the Los Angeles County Department of Regional Planning ("Regional Planning") on December 3, 2007.
2. Since the applicant failed to provide the requested information and/or materials, there is insufficient information to determine the feasibility of the project design, general plan consistency or whether approval of the map would be in the public interest, pursuant to Section 21.40.160 (Advisory Agency Determination Authority) of the Los Angeles County Code ("County Code"). Because of this, the Subdivision Committee is unable to recommend a final action to the Advisory Agency.
3. Staff sent a letter to the applicant dated August 2, 2010 informing the applicant that pursuant to Section 21.16.060 (Public Hearings) and Section 21.40.110 (Matters Required to Complete Submittal and Filing) of the County Code, the case would be scheduled before a Hearing Officer for denial due to inactivity on November 2, 2010.
4. The August 2, 2010 letter also directed the applicant to contact Regional Planning staff within 30 days for the project to remain active, the applicant was also required to provide a revision to the tentative map and/or other requested information within 90 days of the date of the August 2, 2010 letter.
5. The applicant or engineer did not contact staff within the given time frame which was by September 2, 2010 (or submitted the requested materials by November 2, 2010).

6. During the November 2, 2010 Hearing Officer public meeting, staff made a brief presentation summarizing the process for denial of a project due to inactivity.
7. During the November 2, 2010 Hearing Officer public meeting, the project applicant was not present. There were no testifiers in support of or in opposition to the project.
8. During the November 2, 2010 Hearing Officer public meeting, the Hearing Officer denied Tentative Parcel Map No. 061826 due to inactivity.

THEREFORE, in view of the findings of fact presented above, Tentative Parcel Map No. 061826 is DENIED.
