**FINDINGS OF THE HEARING OFFICER  
COUNTY OF LOS ANGELES  
PROJECT NO. 03-215-(5)  
TENTATIVE PARCEL MAP NO. 27074**

1. The Hearing Officer of Los Angeles County, Ms. Pat Hachiya, considered Tentative Parcel Map No. 27011 ("PM 27074") on November 16, 2010.
2. PM 27074 is a proposal to create two single-family parcels on 10.0 acres. The subject site is located at 10202 Spade Spring Canyon Road, Agua Dulce, within the Soledad Zoned District.
3. The project was filed on July 15, 2003. The Los Angeles County Subdivision Committee ("Subdivision Committee") last met on May 24, 2004 to discuss the project. Several holds were placed on the project, including a request for a revised tentative map depicting access. The requested materials were never submitted and no activity has occurred on the project since that time. The last time extension for this project was granted by the Director of the Los Angeles County Department of Regional Planning ("Regional Planning") on October 14, 2004.
4. Since the applicant failed to provide the requested information and/or materials, there is insufficient information to determine the feasibility of the project design, general plan consistency or whether approval of the map would be in the public interest, pursuant to Section 21.40.160 (Advisory Agency Determination Authority) of the Los Angeles County Code ("County Code"). Because of this, the Subdivision Committee is unable to recommend a final action to the Advisory Agency.
5. Staff sent a letter to the applicant dated August 16, 2010 informing the applicant that pursuant to Section 21.16.060 (Public Hearings) and Section 21.40.110 (Matters Required to Complete Submittal and Filing) of the County Code, the case would be scheduled before a Hearing Officer for denial due to inactivity on November 16, 2010.
6. The August 16, 2010 letter also directed the applicant to contact Regional Planning staff within 30 days for the project to remain active, the applicant was also required to provide a revision to the tentative map and/or other requested information within 90 days of the date of the August 16, 2010 letter.
7. The applicant or engineer did not contact staff within the given time frame which was by September 16, 2010 (or submit the requested materials which was by November 16, 2010).

8. Staff contacted the engineer on November 10, 2010 to discuss the proposed denial due to inactivity. The engineer agreed with the proposed denial and stated that the applicant no longer had the desire to proceed with the proposed subdivision.
9. During the November 16, 2010 Hearing Officer public meeting, staff made a brief presentation summarizing the process for denial of a project due to inactivity.
10. During the November 16, 2010 Hearing Officer public meeting, the project applicant was not present. There were no testifiers in support of or in opposition to the project.
11. During the November 16, 2010 Hearing Officer public meeting, the Hearing Officer denied Tentative Parcel Map No. 27074 due to inactivity.

**THEREFORE, in view of the findings of fact presented above, Tentative Parcel Map No. 27074 is DENIED.**
