PROJECT NUMBER 98-135-(5)
CONDITIONAL USE PERMIT NUMBER 200900099

PROJECT DESCRIPTION

The applicant Spumoni Restaurant proposes the continued sale of beer and wine for on-site consumption at an existing restaurant with indoor and outdoor dining.

REQUIRED ENTITLEMENTS

A conditional use permit to authorize the on-site sale of beer and wine at an existing restaurant with outdoor dining.

LOCATION

24917 Pico Canyon Road, Stevenson Ranch within the Newhall Zoned District.

SITE PLAN DESCRIPTION

The site plan depicts an approximately 2,000 square foot restaurant within a 85,697 square foot building, which is part of a commercial shopping center with various retail and restaurant uses. The subject site plan depicts indoor and outdoor dining for Spumoni Restaurant with a maximum occupant load of 145 persons (including indoor and outdoor dining).

ENVIRONMENTAL DETERMINATION

The Department of Regional Planning has determined that a Categorical Exemption, Class 1 – Existing Facilities, is the appropriate environmental documentation under California Environmental Quality Act (CEQA) reporting requirements.

LEGAL NOTIFICATION AND PUBLIC OUTREACH

Pursuant to the provisions of Sections 22.60.174 and 22.60.175 of the County Code, the community was appropriately notified of the public hearing by mail, newspaper, property posting, library posting and DRP website posting.

PREVIOUS CASES/ZONING HISTORY

ZC88-587 - Zone change to change the zone from A-2-5 to C-3-DP. Approved on March 27, 1990

CP88-587 - Conditional Use Permit to authorize operation, construction and maintenance of a commercial shopping center. Approved January 17, 1990

CP98-135 - Conditional use permit to authorize on-site beer and wine sales at an existing restaurant (previously Floridino's Trattoria). Approved April 20, 1999, permit expired on April 20, 2009.

STAFF EVALUATION

General Plan Consistency

The project site is designated as Commercial in the Santa Clarita Valley Area Plan. The restaurant use already exists at the location. A variety of uses are permitted in the commercial land use classification. The request is a local serving amenity and is consistent with the Santa Clarita Valley Area Plan.

Zoning Ordinance and Development Standards Compliance

The subject property is located within the C-3-DP (Unlimited Commercial with a Development Program).

Parking – Part 11 of Section 22.52

Parking for the commercial center is based on one automobile parking space for each 250 square feet of floor area of any building or structure so used for retail or office use and 1 space for every 3 persons based on occupant load, (minimum 10 spaces) for dining uses. Spumoni is required to have 48 parking spaces, based on the 145 person occupancy load of the restaurant (145 divided by 3 = 48 spaces). The restaurant is a part of a larger shopping center that has a shared parking lot of 1048 parking spaces. The parking requirements of the shopping center are met with the number of spaces provided.

All other development standards have been met.

Neighborhood Impact/Land Use Compatibility

A commercial shopping center is currently located on the subject property. Surrounding land uses consist of commercial and residential uses to the north, commercial uses to the east, commercial and residential uses to the south and commercial and residential uses to the west. The current use provides a needed amenity for the surrounding residential uses.

Burden of Proof

The applicant is required to substantiate all facts identified by Section 22.56.195 and 22.56.040 of the Los Angeles County Code. The Burden of Proof with applicant's responses is attached. Staff is of the opinion that the applicant has met the burden of proof.

COUNTY DEPARTMENT COMMENTS AND RECOMMENDATIONS

Sheriff's Department - The department was consulted, however no comments were received.

State Department of Alcohol and Beverage Control

The Department of Alcoholic Beverage Control (ABC) reports that there is an over-concentration of licenses within the Census tract. Four (4) on-sale licenses are allowed

and sixteen (16) exist. Additionally ABC reports that the subject site is not located within a high crime reporting district.

There are four (4) establishments selling alcoholic beverages within 500 feet of the subject property; one restaurant selling beer and wine only for on-site consumption (Coco's Bakery), one restaurant selling a full line of alcohol for on-site consumption (Yamato Restaurant), a grocery store (Ralph's) selling a full-line of alcoholic beverages for off-site consumption and a hotel (Marriott Residence Inn) selling beer and wine for on-site consumption. There are no sensitive uses within the 600-foot radius of the subject property.

PUBLIC COMMENTS

No comments have been received.

FEES/DEPOSITS

If approved, fees identified in the attached project conditions will apply unless modified by the Planning Commission.

STAFF RECOMMENDATION

The following recommendation is made prior to the public hearing and is subject to change based upon testimony and/or documentary evidence presented at the public hearing:

The subject restaurant offers full service dining for the local community. Beer and wine with meals is an expected service at this type of restaurant. Even though there are other establishments selling alcohol in the area, this establishment services a specific market and does not create an over concentration situation. The restaurant has previously operated selling beer and wine without incident or zoning violations for the last 10 years.

Staff therefore recommends, approval of Project Number 98-135 with associated Conditional Use Permit Number 200900099 subject to the attached conditions.

SUGGESTED APPROVAL MOTIONS

I move that the Regional Planning Commission close the public hearing and approve Conditional Use Permit number **200900099**, with findings & conditions.

Parking for the commercial center is based on one automobile parking space for each 250 square feet of floor area of any building or structure so used for retail or office use and 1 space for every 3 persons based on occupant load, (minimum 10 spaces) for dining uses. Spumoni is required to have 48 parking spaces, based on the 145 person occupancy load of the restaurant (145 divided by 3 = 48 spaces).
