Oak Tree Permit No. RCUP200800030
January 14, 2009 Regional Planning Commission Meeting
Agenda Item No. 6

At the February 11, 2009 public hearing, the Commission instructed the applicant to prepare application materials to include two adjacent parcels. The applicant delayed in providing application materials until April 9, 2009. Staff did not have sufficient time to review the materials, prepare reports, and consult with the Forester, and staff recommends that the hearing be continued to a date certain, giving at least 45 days to allow any potential appeals for an associated yard modification to be heard concurrently.

Suggested motion:

I move that the Regional Planning Commission continue Project No. R2005-00187-(5) to _____
