

1. This grant authorizes the renewal of an unmanned wireless telecommunication facility consisting of twelve directional antennas mounted on 3 arrays of 4 antennas each at 43 feet in height and two microwave dish antennas to an existing 60-foot monopole and equipment cabinets in the lease area. The grant also authorizes an emergency back up generator with an 8' wide non-exclusive utility easement around the generator for access in the parking area located at 5104 W M Street, within the unincorporated Los Angeles County, as depicted on the approved Exhibit "A" and subject to all of the following conditions of approval:

- a. The panel antennas shall be painted to match the monopole and the equipment cabinets shall be painted a neutral color, excluding black, and shall be maintained in good condition at all times;
- b. The properties shall be developed and maintained in substantial conformance with the approved Exhibit "A". In the event that subsequent revised plans are submitted, the permittee shall submit three (3) copies of the proposed plans to the Director for review and approval. All revised plans must be accompanied by the written authorization of the property owner;
- c. The facility shall be operated in accordance with regulations of the State Public Utilities Commission;
- d. All structures shall conform with the requirements of Building and Safety Division of the Department of Public Works;

In the event that the county deems it necessary to initiate such proceedings pursuant to Part 13 of Chapter 22.56 of the County Code, the applicant shall compensate the county for all costs incurred in such proceedings.

- e. Said facility, including any lighting, fences, shields, cabinets, and poles shall be maintained by the operator in good repair, free from trash, debris, litter and graffiti, and other forms of vandalism. Any damage from any cause shall be repaired as soon as reasonably possible to minimize occurrences of dangerous conditions or visual blight;
- f. Said facility shall be removed if in disuse for more than six months;
- g. Security lighting shall be low intensity, and directed away from natural areas. No pole-mounted lighting shall be permitted on the site; and
- h. One parking space shall be provided on the subject parcel.
- i. Insofar as is feasible, the operator shall cooperate with any subsequent applicants for wireless communications facilities in the vicinity with regard to possible co-location. Such subsequent applicants will be subject to the regulations in effect at that time;

The cost for collection and duplication of records and other related documents will be paid by the permittee according to Los Angeles County Code Section 2.170.010.

6. This grant will expire unless used within 2 years from the date of approval. A one-year time extension may be requested in writing and with payment of the applicable fee at least six (6) months prior to the expiration date.
7. If any provision of this grant is held or declared to be invalid, the permit shall be void and the privileges granted hereunder shall lapse.
8. Prior to the use of this grant, the property owner or permittee shall **record the terms and conditions** of the grant in the office of the County Recorder. In addition, upon any transfer or lease of the property during the term of this grant, the property owner or permittee shall promptly provide a copy of the grant and its conditions to the transferee or lessee of the subject property.
9. **This grant shall terminate on December 2, 2018.** Entitlement to use of the property thereafter shall be subject to the regulations then in effect. At least six (6) months prior to the expiration of this permit and in the event that the permittee intends to continue operations after such date, a new Conditional Use Permit application shall be filed with the Department of Regional Planning. The application shall be a request for continuance of the use permitted under this grant, whether including or not including modification to the use at that time.
10. The subject property shall be maintained and operated in full compliance with the conditions of this grant and any law, statute, ordinance, or other regulation applicable to any development or activity on the subject property. Failure of the permittee to cease any development or activity not in full compliance shall be a violation of these conditions. The permittee shall deposit with the County of Los Angeles the sum of \$750.00. The deposit shall be placed in a performance fund, which shall be used exclusively to compensate the Department of Regional Planning for all expenses incurred while inspecting the premises to determine the permittee's compliance with the conditions of approval. The deposit provides for five (5) biennial inspections. Inspections shall be unannounced.

If additional inspections are required to ensure compliance with the conditions of this grant, or if any inspection discloses that the subject property is being used in violation of any one of the conditions of this grant, the permittee shall be financially responsible and shall reimburse the Department of Regional Planning for all additional enforcement efforts necessary to bring the subject property into compliance. Inspections shall be made to ensure compliance with the conditions of this grant as well as adherence to development in accordance with the approved site plan on file. The amount charged for additional inspections shall be \$150.00 per inspection, or the current recovery cost, whichever is greater.

11. Notice is hereby given that any person violating a provision of this grant is guilty of a misdemeanor. Notice is further given that the Regional Planning Commission or a hearing officer may, after conducting a public hearing, revoke or modify this grant, if the

Commission or hearing officer finds that these conditions have been violated or that this grant has been exercised so as to be detrimental to the public's health or safety or so as to be a nuisance.

12. Upon receipt of this letter, the permittee shall contact the Fire Prevention Bureau of the Los Angeles County Fire Department to determine what facilities may be necessary to protect the property from fire hazard. Any necessary facilities shall be provided as may be required by said Department.
13. All requirements of the Zoning Ordinance and of the specific zoning of the subject property must be complied with unless otherwise set forth in these conditions or shown on the approved plans.
14. All structures, walls, and fences open to public view shall remain free of extraneous markings, drawings, or signage. These shall include any of the above that do not directly relate to the facility being operated on the premises or that do not provide pertinent information about said premises. The only exceptions shall be seasonal decorations or signage provided under the auspices of a civic or non-profit organization.
15. In the event of graffiti or other extraneous markings occurring, the permittee shall remove or cover said markings, drawings, or signage within 24 hours of such occurrence, weather permitting. Paint utilized in covering such markings shall be of a color that matches, as closely as possible, the color of the adjacent surfaces. The only exceptions shall be seasonal decorations or signage provided under the auspices of a civic or non-profit organization.
16. The permittee shall maintain the subject property in a neat and orderly fashion. The permittee shall maintain free of litter all areas on the premises over which the permittee has control.
17. All landscaped areas shall be continuously and properly maintained in good condition;
18. Within ninety (90) days of the approval date of this grant, the permittee shall submit to the Director for review and approval, four (4) copies of site plans, similar to Exhibit "A" as presented at the public hearing. The property shall be developed and maintained in substantial compliance with the plans marked Exhibit "A. In the event that subsequent revised plans are submitted, the permittee shall submit four (4) copies of the proposed plans to the Director for review and approval. All revised plans must be accompanied by the written authorization of the property owner. If changes to the site plan are required as a result of instruction given at the public hearing, a Revised Exhibit "A" shall be submitted to the Department of Regional Planning within sixty (60) days of the date of approval for the Conditional Use Permit.
