APPLICANT T-Mobile West Corporation	OWNER Altadena Methodist Church	REPRESENTATIVE Sure Site (Anthony Serpa)
---	---	--

PROJECT DESCRIPTION
 The applicant, T-Mobile West Corporation, is requesting approval of a Conditional Use Permit (CUP) for the installation, operation and maintenance of an unmanned wireless telecommunications facility (WTF) at an existing church in the R-1-7,500 zone. The proposed WTF consists of a 35 foot high monopine with twelve panel antennas attached and a ground mounted equipment shelter within an 800 square foot lease area. The lease area will be enclosed with a six foot high fence accessible only through a gate. In addition, an above ground power connection will be attached to the monopine and the equipment shelter. There is an existing wooden monopole with three antennae, an equipment cabinet and a generator receptacle currently located in the church parking lot to be removed. The proposed WTF site will be located north of the church parking lot in a landscaped area which is approximately 15 feet to the nearest property line.

REQUIRED ENTITLEMENTS
 To authorize a CUP to install, operate and maintain an unmanned wireless telecommunication facility (WTF) in an R-1-7,500 (Single-Family Residence – 7,500 sq.ft. minimum lot size required area) zone. A WTF in the R-1-7,500 zone requires a CUP pursuant to 22.20.100 of the Los Angeles County Code.

LOCATION/ADDRESS
 349 W. Altadena Drive, Altadena, CA 91001

SITE DESCRIPTION
 The site plan depicts a 35 foot high monopine, with twelve panel antennas attached to the top of the monopine, a 20' x 11.5' x 11.4' high equipment shelter, six foot high fenced lease area (approx. 800 sq.ft.) with an access gate. An above ground power connection will be attached to the monopine and the equipment shelter along with a power meter. A concrete pad encompassing the entire lease area will be constructed to support the WTF equipment along with a drywell and a set of concrete stairs. There is an existing wooden monopole with three antennae, an equipment cabinet and a generator receptacle located in the church parking lot to be removed. The proposed WTF lease area will be located north of the church parking lot in a landscaped area which is approximately 15 feet from the nearest property line.

STAFF ANALYSIS
PROJECT NUMBER R2008-00738 – (5)
Conditional Use Permit Number 200800079

PROJECT DESCRIPTION

The applicant, T-Mobile West Corporation, is requesting approval of a Conditional Use Permit (CUP) for the installation, operation and maintenance of an unmanned wireless telecommunications facility (WTF) at an existing church (Altadena United Methodist Church) in the R-1-7,500 zone. The proposed WTF consists of a 35 foot high monopine with twelve panel antennas attached and a ground mounted equipment shelter within an 800 square foot lease area. The lease area will be enclosed with a six foot high fence accessible only through a gate. In addition, an above ground power connection will be attached to the monopine and the equipment shelter. There is an existing wooden monopole with three antennae, an equipment cabinet and a generator receptacle currently located in the church parking lot to be removed. The proposed WTF site will be located north of the church parking lot in a landscaped area which is approximately 15 feet to the nearest property line.

REQUIRED ENTITLEMENTS

To authorize a CUP to install, operate and maintain an unmanned wireless telecommunication facility (WTF) in an R-1-7,500 (Single-Family Residence – 7,500 square foot minimum lot size required area) zone. A WTF in the R-1-7,500 zone requires a CUP pursuant to 22.20.100 of the Los Angeles County Code.

DESCRIPTION OF SUBJECT PROPERTY

Location: The subject property is located at 349 West Altadena Drive, Altadena, CA 91001 within the Altadena Zoned District.

Physical Features (topography/vegetation): The property is a 1.14-acre, "L"-shaped parcel fronting on Altadena Drive which the property gently slopes in a northwest direction with an elevation change of 20 feet. This lot is improved with a church, which consists of a 237 seat sanctuary, a preschool, a playground and a surfaced parking lot with 47 parking spaces. The subject property is landscaped throughout the parking lot and around the church structure. The height of the trees in the north end of the parking lot surrounding the proposed facility is approximately 40 to 60 feet tall.

Access: Via West Altadena Drive, an improved public street, through an 18 foot wide access driveway.

SITE PLAN DESCRIPTION

The site plan depicts a 35 foot high monopine, with twelve panel antennas attached to the top of the monopine, a 20' x 11.5' x 11.4' high equipment shelter, six foot high fenced lease area (approx. 800 sq.ft.) with an access gate. An above ground power connection will be attached to the monopine and the equipment shelter along with a power meter. A concrete pad encompassing the entire lease area will be constructed

to support the WTF equipment along with a drywell and a set of concrete stairs. There is an existing wooden monopole with three antennae, an equipment cabinet and a generator receptacle located in the church parking lot to be removed. The proposed WTF lease area will be located north of the church parking lot in a landscaped area which is approximately 15 feet from the nearest property line.

ENVIRONMENTAL DETERMINATION

The Department of Regional Planning has determined that a Categorical Exemption, Class 3 Categorical Exemption- New Construction or Conversion of Small Structures, is the appropriate environmental documentation under California Environmental Quality Act (CEQA) and the Los Angeles County Environmental Document Reporting Guidelines, since the requested WTF is consistent with the development standards in the R-1-7,500 zone.

EXISTING ZONING

Subject Property: The subject property is zoned R-1-7,500 (Single-family residence – 7,500 square foot minimum lot size required area).

Surrounding Properties:

North: R-1-7,500
East: R-1-7,500
South: R-1-7,500
West: R-1-7,500

EXISTING LAND USE

Subject Property: The subject property is developed as a church with appurtenant parking and landscaping in a single family neighborhood.

Surrounding Properties:

North: Single-family and multi-family residential.
East: Single-family residential.
South: Single-family residential.
West: Single-family residential.

PREVIOUS CASES/ZONING HISTORY

- Zone Exception Case No. 357 to establish a church with 150 seats and 30 parking spaces was approved in 1950. Zone Exception Case No. 758 to expand the church to 237 seats was approved in 1951. A condition of approval required 70 parking spaces.
- Zone Exception Case No. 8029 to establish a nursery school in the church approved in 1966. Zone Exception Case No. 8766 to expand the nursery from a half-day program to a full-day program for 20 children was approved in 1968.
- Conditional Use Permit No. 1413 to continue the operation of the nursery with a maximum enrollment of 30 children at the church was approved in February

1979. A condition of approval required 47 spaces for both the church and nursery.
- In 1994, Zoning Enforcement staff contacted and instructed the property owner of the church to file for a new CUP because it had expired. The property owner filed an application for a CUP in September 1995.
 - Conditional Use Permit No. 95-182 to allow the continued use of an existing church with daycare center and to construct a new playground area in the rear of the lot was approved in 1996. A conditional of approval required the permittee to resurface and restripe the parking lot in order to provide the required 47 parking spaces.

LEGAL NOTIFICATION AND PUBLIC OUTREACH

Pursuant to the provisions of Section 22.60.174 of the County Code, the Notice of Public Hearing was advertised in La Opinion, on November 3, 2010 and in The Pasadena Star News, on November 3, 2010. A total of 487 public hearing notices regarding the subject application were mailed out to the owners of properties located within a 1,000-foot radius of the subject property on November 1, 2010. This number also includes notices sent to the local community groups and residents on the Altadena Zoned District courtesy list.

Case information materials, including the Notice of Public Hearing, Factual Sheet, Site Plans and Photo Simulations were forwarded to the Altadena Library at 600 East Mariposa Street, Altadena, on October 27, 2010. The same materials were also posted on the Department of Regional Planning's website.

Pursuant to Section 22.60.175 of the County Code, the applicant shall post the public hearing notice on the property no less than 30 days prior to the public hearing date. Staff received the Certificate of Posting stating that the Notice of Public Hearing was posted on November 3, 2010, and photos of the posting from the applicant's agent. In addition, the applicant met with the Altadena Town Council Land Use Committee on August 3, 2010 and the Altadena Town Council on August 17, 2010 to discuss the proposed project. The Altadena Town Council sent a letter dated August 19, 2010 supporting the applicant's request is attached.

STAFF EVALUATION

General Plan Consistency

The proposed design of the WTF is consistent with the infrastructure goals of the Altadena Community Plan. One of the goals in the Altadena plan prohibits infrastructure design that will conflict with the unique visual quality and backdrop of the San Gabriel Mountains. The monopine design of the proposed WTF will compliment the landscaping and trees surrounding the WTF and will not create a visual intrusion of the San Gabriel Mountains, since the monopine will be 35 feet in height and blend into the character of its surroundings. The height of the trees surrounding the proposed facility is approximately 40 to 60 feet tall and the proposed facility will be compatible.

The proposed design of the WTF is consistent with the land use compatibility goals and policies of the Countywide General Plan. The following general policy of the Countywide General Plan is applicable to the subject property and serves a guideline for the installation and maintenance of such facility:

Public Services policy 58: *“Maintain high quality emergency response services.”*

- The existing WTF provides cellular service to this neighborhood and such service is often used to make emergency calls. The facility will ensure that such service is readily available.

Zoning Ordinance and Development Standards Compliance

A wireless telecommunication facility is a use not specified in Title 22 of the Los Angeles County Code (Zoning Ordinance). However, the proposed use may be considered a radio tower. Furthermore, until such times as the County of Los Angeles adopts a telecommunication provisions to the existing Zoning Ordinance, the County of Los Angeles requires a conditional use permit for such a use.

Neighborhood Impact/Land Use Compatibility

The proposed wireless telecommunication facility will be camouflaged by disguising the wireless tower and antennae as a monopine, which blends in with the existing trees located on the subject property. The design of the antenna will camouflage the WTF to prevent visual intrusion to nearby and adjacent residential uses. Appurtenant equipment will be located within the lease area, which will be appropriately screened from the surrounding properties. Due to the camouflaging of the antenna and the screening of the associated ground equipment, staff does not anticipate potential visual intrusion to nearby residences and finds the project compatible with the surrounding residential neighborhood.

BURDEN OF PROOF

The applicant is required to substantiate all facts identified by Section 22.56.040 of the Los Angeles County Code. The Burden of Proof with applicant's responses is attached. Staff is of opinion that the applicant has met the burden of proof.

COUNTY DEPARTMENT COMMENT AND RECOMMENDATIONS

No comments have been received from County departments at this time of this report.

PUBLIC COMMENTS

The Altadena Town Council submitted correspondence on August 25, 2010 supporting the applicant's request. No other comments have been received at this time.

FEES/DEPOSITS

If approved, fees identified in the attached project conditions will apply unless modified by the Hearing Officer.

Department of Regional Planning Zoning Enforcement:

Cost recovery deposit of \$1600.00 for eight (8) biennial (once every other year) inspections. Additional funds would be required if violations are found on the subject property.

STAFF RECOMMENDATION

The following recommendation is made prior to the public hearing and is subject to change based upon testimony and/or documentary evidence presented at the public hearing:

If the Hearing Officer agrees with staff's evaluation above, staff recommends that the Hearing Officer close the public hearing, find that the project is categorically exempt, and **approve** Conditional Use Permit No. 200800079 with the attached draft findings and conditions.

**DRAFT FINDINGS AND ORDER OF THE HEARING OFFICER
COUNTY OF LOS ANGELES**

**PROJECT NUMBER R2008-00738 – (5)
CONDITIONAL USE PERMIT NO. 200800079**

REQUEST: The applicant, T-Mobile West Corporation, is requesting approval of a Conditional Use Permit (CUP) for the installation, operation and maintenance of an unmanned wireless telecommunications facility (WTF) at an existing church (Altadena United Methodist Church) in the R-1-7,500 zone. The proposed WTF consists of a 35 foot high monopine with twelve panel antennas attached and a ground mounted equipment shelter within an 800 square foot lease area. The lease area will be enclosed with a six foot high fence accessible only through a gate. In addition, an above ground power connection will be attached to the monopine and the equipment shelter. There is an existing wooden monopole with three antennae, an equipment cabinet and a generator receptacle currently located in the church parking lot to be removed. The proposed WTF site will be located north of the church parking lot in a landscaped area which is approximately 15 feet to the nearest property line.

HEARING DATE: December 7, 2010

PROCEEDINGS BEFORE THE HEARING OFFICER:

A duly noticed public hearing was held on December 7, 2010 before the Hearing Officer, Mr. Alex Garcia.

Findings

1. The subject property is located at 349 W. Altadena Drive in the unincorporated community of Altadena within the Altadena Zoned District. Assessor's Parcel Number: 5829-016-054.
2. The subject property is zoned R-1-7,500 (Single-family residence – 7,500 square foot minimum lot size development requirement). The existing zoning for the surrounding properties are as follows:
 - North: R-1-7,500
 - East: R-1-7,500
 - South: R-1-7,500
 - West: R-1-7,500
3. The existing land use for the subject property contains an existing church with appurtenant parking. The existing land use for the surrounding properties are as follows:
 - North: Single-family residences and Multi-family residences.
 - East: Single-family residences.
 - South: Single-family residences.

West: Single-family residences.

4. This grant will authorize the construction, operation and maintenance of an existing unmanned WTF. The facility is located on a 1.14-acre, "L"-shaped parcel fronting on Altadena Drive which the property gently slopes in a northwest direction with an elevation change of 20 feet. This lot is improved with a church, which consists of a 237 seat sanctuary, a preschool, a playground and a surfaced parking lot with 47 parking spaces. The submitted site plan depicts a 35 foot high monopine, with twelve panel antennas attached to the top of the monopine, a 20' x 11.5' x 11.4' high equipment shelter, six foot high fenced lease area (approx. 800 sq.ft.) with an access gate. An above ground power connection will be attached to the monopine and the equipment shelter along with a power meter. A concrete pad encompassing the entire lease area will be constructed to support the WTF equipment along with a drywell and a set of concrete stairs. There is an existing wooden monopole with three antennae, an equipment cabinet and a generator receptacle located in the church parking lot to be removed. The proposed WTF lease area will be located north of the church parking lot in a landscaped area which is approximately 15 feet from the nearest property line.
5. Zone Exception Case No. 357 to establish a church with 150 seats and 30 parking spaces was approved in 1950. Zone Exception Case No. 758 to expand the church to 237 seats was approved in 1951. A condition of approval required 70 parking spaces.
6. Zone Exception Case No. 8029 to establish a nursery school in the church approved in 1966. Zone Exception Case No. 8766 to expand the nursery from a half-day program to a full-day program for 20 children was approved in 1968.
7. Conditional Use Permit No. 1413 to continue the operation of the nursery with a maximum enrollment of 30 children at the church was approved in February 1979. A condition of approval required 47 spaces for both the church and nursery.
8. In 1994, Zoning Enforcement staff contacted and instructed the property owner of the church to file for a new CUP because it had expired. The property owner filed an application for a CUP in September 1995.
9. Conditional Use Permit No. 95-182 to allow the continued use of an existing church with daycare center and to construct a new playground area in the rear of the lot was approved in 1996. A conditional of approval required the permittee to resurface and restripe the parking lot in order to provide the required 47 parking spaces.
10. The proposed design of the WTF is consistent with the infrastructure goals of the Altadena Community Plan. One of the goals in the Altadena plan prohibits infrastructure design that will conflict with the unique visual quality and backdrop of the San Gabriel Mountains. The monopine design of the proposed WTF will compliment the landscaping and trees surrounding the WTF and will not create a

visual intrusion of the San Gabriel Mountains, since the monopine will be 35 feet in height and blend into the character of its surroundings. The height of the trees surrounding the proposed facility is approximately 40 to 60 feet tall and the proposed facility will be compatible.

11. The proposed design of the WTF is consistent with the land use compatibility goals and policies of the Countywide General Plan. The following general policy of the Countywide General Plan is applicable to the subject property and serves a guideline for the installation and maintenance of such facility:

Public Services policy 58: *"Maintain high quality emergency response services."*

- The existing WTF provides cellular service to this neighborhood and such service is often used to make emergency calls. The facility will ensure that such service is readily available.
12. A wireless telecommunication facility is a use not specified in Title 22 of the Los Angeles County Code (Zoning Ordinance). However, the proposed use may be considered a radio tower. Furthermore, until such times as the County of Los Angeles adopts a telecommunication provisions to the existing Zoning Ordinance, the County of Los Angeles requires a conditional use permit for such a use.
13. The proposed wireless telecommunication facility will be camouflaged by disguising the wireless tower and antennae as a monopine, which blends in with the existing trees located on the subject property. The design of the antenna will camouflage the WTF to prevent visual intrusion to nearby and adjacent residential uses. Appurtenant equipment will be located within the lease area, which will be appropriately screened from the surrounding properties. Due to the camouflaging of the antenna and the screening of the associated ground equipment, staff does not anticipate potential visual intrusion to nearby residences and finds the project compatible with the surrounding residential neighborhood.
14. The Department of Regional Planning has determined that a Categorical Exemption, Class 3 Categorical Exemption- New Construction or Conversion of Small Structures, is the appropriate environmental documentation under California Environmental Quality Act (CEQA) and the Los Angeles County Environmental Document Reporting Guidelines, since the requested WTF is consistent with the development standards in the R-1-7,500 zone.
15. Pursuant to the provisions of Sections 22.60.174 and 22.60.175 of the County Code, the community was appropriately notified of the public hearing by mail, newspaper and property posting.
16. To assure continued compatibility between the use of the subject property allowed by this grant and surrounding land uses, the Hearing Officer determines that it is necessary to limit the term of the grant to 15 years.

17. The location of the documents and other materials constituting the record of proceedings upon which the Hearing Officer's decision is based in this matter is at the Los Angeles County Department of Regional Planning, 13th Floor, Hall of Records, 320 West Temple Street, Los Angeles, CA 90012. The custodian of such documents and materials shall be the Zoning Permits Section, Los Angeles County Department of Regional Planning.

BASED ON THE FOREGOING, THE HEARING OFFICER CONCLUDES:

- A. That the existing use is consistent with the adopted general plan for the area;
- B. That the request for construction, operation and maintenance of the said WTF, following the attached conditions of approval, will not adversely affect the health, peace, comfort, or welfare of persons residing and working in the surrounding area, will not be materially detrimental to the use, enjoyment, or valuation of property of other persons located in the vicinity of the site, and will not jeopardize, endanger, or otherwise constitute a menace to the public health, safety or general welfare;
- C. That the existing site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities and other development features prescribed in Title 22 of the County Code, or as is otherwise required in order to integrate said use with the uses in the surrounding area; and
- D. That the existing site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required.

The information submitted by the applicant and presented at the public hearing substantiate the required findings identified by Section 22.56.090 of the Los Angeles County Code.

HEARING OFFICER ACTION:

- 1. The Hearing Officer finds that this project is Categorically Exempt from the provisions of the California Environmental Quality Act (CEQA).
- 2. In view of the findings of fact and conclusions presented above, Conditional Use Permit 200800079 is **approved** subject to the attached conditions.

c: Hearing Officer, Zoning Enforcement, Building and Safety

MC:RG:rg

This grant authorizes the construction, operation and maintenance of an unmanned wireless telecommunication facility (WTF) in the R-1-7,500 (Single-Family Residence – 7,500 square foot minimum lot size required area) zone located at 349 Altadena Drive, in the unincorporated Altadena, subject to the following conditions of approval:

1. Unless otherwise apparent from the context, the term “permittee” shall include the applicant and any other person, corporation or other entity making use of this grant.
 2. This grant shall not be effective for any purpose until the permittee, and the owner of the subject property if other than the permittee, have filed at the office of the Department of Regional Planning their affidavit stating that they are aware of and agree to accept all of the conditions of this grant, and that the conditions of the grant have been recorded as required by Condition 6, and until all required monies have been paid pursuant to Condition 9. The recorded affidavit shall be filed and the required monies shall be paid by **February 6, 2010**.
 3. The permittee shall defend, indemnify and hold harmless the County, its agents, officers, and employees from any claim, action, or proceeding against the County or its agents, officers, or employees to attack, set aside, void or annul this permit approval, which action is brought within the applicable time period of Government Code Section 65009. The County shall promptly notify the permittee of any claim, action, or proceeding and the County shall cooperate reasonably in the defense. If the County fails to promptly notify the permittee of any claim action or proceeding, or if the County fails to cooperate fully in the defense, the permittee shall not thereafter be responsible to defend, indemnify, or hold harmless the County.
 4. In the event that any claim, action, or proceeding as described above is filed against the County, the permittee shall within ten days of the filing pay the Department of Regional Planning an initial deposit of \$5,000, from which actual costs shall be billed and deducted for the purpose of defraying the expenses involved in the department's cooperation in the defense, including but not limited to, depositions, testimony, and other assistance to permittee or permittee's counsel. The permittee shall also pay the following supplemental deposits, from which actual costs shall be billed and deducted:
 - a. If during the litigation process, actual costs incurred reach 80 percent of the amount on deposit, the permittee shall deposit additional funds sufficient to bring the balance up to the amount of the initial deposit. There is no limit to the number of supplemental deposits that may be required prior to completion of the litigation.
 - b. At the sole discretion of the permittee, the amount of an initial or supplemental deposit may exceed the minimum amounts defined herein.
- The cost for collection and duplication of records and other related documents will be paid by the permittee according to Los Angeles County Code Section 2.170.010.
5. If any provision of this grant is held or declared to be invalid, the permit shall be void and the privileges granted hereunder shall lapse.
 6. Prior to the use of this grant, the property owner or permittee shall **record the terms and conditions** of the grant in the office of the County Recorder. In addition, upon any transfer or lease of the property during the term of this grant, the property owner or permittee shall promptly provide a copy of the grant and its conditions to the transferee or lessee of the subject property.
 7. **This grant will terminate on December 7, 2025.** Entitlement to use of the property thereafter shall be subject to the regulations then in effect. At least six (6) months prior to

the expiration of this permit and in the event that the permittee intends to continue operations after such date, a new Conditional Use Permit application shall be filed with the Department of Regional Planning. The application shall be a request for continuance of the use permitted under this grant, whether including or not including modification to the use at that time.

8. This grant shall expire unless used within two years from the date of final approval by the County. The date of final approval is the date of the approval action plus any applicable appeal period. A single one-year time extension may be requested in writing and with the payment of the applicable fee prior to such expiration date.
9. The subject property shall be maintained and operated in full compliance with the conditions of this grant and any law, statute, ordinance, or other regulation applicable to any development or activity on the subject property. Failure of the permittee to cease any development or activity not in full compliance shall be a violation of these conditions. The permittee shall deposit with the County of Los Angeles the sum of **\$1,600.00**. The deposit shall be placed in a performance fund, which shall be used exclusively to compensate the Department of Regional Planning for all expenses incurred while inspecting the premises to determine the permittee's compliance with the conditions of approval. The deposit provides for **eight (8) biennial (one every other year)** inspections. Inspections shall be unannounced.

If additional inspections are required to ensure compliance with the conditions of this grant, or if any inspection discloses that the subject property is being used in violation of any one of the conditions of this grant, the permittee shall be financially responsible and shall reimburse the Department of Regional Planning for all additional enforcement efforts necessary to bring the subject property into compliance. Inspections shall be made to ensure compliance with the conditions of this grant as well as adherence to development in accordance with the approved site plan on file. The amount charged for additional inspections shall be \$200.00 per inspection, or the current recovery cost, whichever is greater.

10. Notice is hereby given that any person violating a provision of this grant is guilty of a misdemeanor. Notice is further given that the Regional Planning Commission or a hearing officer may, after conducting a public hearing, revoke or modify this grant, if the Commission or hearing officer finds that these conditions have been violated or that this grant has been exercised so as to be detrimental to the public's health or safety or so as to be a nuisance.
11. Upon receipt of this letter, the permittee shall contact the Fire Prevention Bureau of the Los Angeles County Fire Department to determine what facilities may be necessary to protect the property from fire hazard. Any necessary facilities shall be provided as may be required by said Department.
12. All requirements of the Zoning Ordinance and of the specific zoning of the subject property must be complied with unless otherwise set forth in these conditions or shown on the approved plans.
13. All structures shall conform with the requirements of the Division of Building and Safety of the Department of Public Works.
14. All structures, walls and fences open to public view shall remain free of extraneous markings, drawings or signage that was not approved by the Department of Regional Planning. These shall include any of the above that do not directly relate to the business

- being operated on the premises or that do not provide pertinent information about said premises.
15. In the event of graffiti or other extraneous markings occurring, the permittee shall remove or cover said markings, drawings, or signage within 24 hours of such occurrence, weather permitting. Paint utilized in covering such markings shall be of a color that matches, as closely as possible, the color of the adjacent surfaces. The only exceptions shall be seasonal decorations or signage provided under the auspices of a civic or non-profit organization.
 16. The subject property shall be developed and maintained in substantial compliance with the plans marked Exhibit "A." If changes to the site plan are required as a result of instruction given at the public hearing, a Revised Exhibit "A" shall be submitted to the Department of Regional Planning within sixty (60) days of the date of approval for the Conditional Use Permit.
 17. The facility shall be operated in accordance with regulations of the State Public Utilities Commission.
 18. The permittee shall submit to the Zoning Enforcement Section of the Department of Regional Planning written certification that the radio frequency electromagnetic emissions levels comply with adopted Federal Communications Commission (FCC) limitations for general population/uncontrolled exposure to such emissions when operating at full strength and capacity. If other WTFs are located on the subject property or on adjacent parcels, the aforementioned report shall include the radio frequency electromagnetic emissions of said WTFs.
 19. Insofar as is feasible, the operator shall cooperate with any subsequent applicants for wireless communications facilities in the vicinity with regard to possible co-location. Such subsequent applicants will be subject to the regulations in effect at that time.
 20. Any proposed WTF that will be co-locating on the proposed facility will be required to submit the same written verification of emissions and include the cumulative radiation and emissions of all such facilities to the Zoning Enforcement Section of the Department of Regional Planning.
 21. All structures shall conform to the requirements of the Division of Building and Safety of the Department of Public Works or other appropriate agency and obtain an encroachment permit if deemed necessary.
 22. External lighting, including security lighting, shall be on motion sensors, be of low intensity, fully shielded and directed away from any adjacent residences. Pole mounted lighting is prohibited on the leasehold unless the facility is disguised as a light pole. Antenna lighting is prohibited. Beacon lights are prohibited unless required by the FAA.
 23. If the subject property is adjacent to residences, construction and maintenance of the facility shall be limited to the hours of 9:00 AM to 5:00 PM, Monday through Friday. Emergency repairs of the facility may occur at any time.
 24. The project shall be developed and maintained in substantial compliance with the approved plans marked Exhibit "A". Placement and height of all pole mounted equipment shall be in substantial conformance with that shown on said Exhibit "A". The facility shall be built as depicted in the photo simulations presented at the public hearing.

25. One parking space for maintenance vehicles shall be provided. The space does not have to be dedicated solely to maintenance vehicles. Maintenance vehicles shall not block access to driveways or garages.
26. The maximum height of the facility shall not exceed 35 feet above finished grade.
27. Within 30 days of change in service provider ownership, the permittee shall provide the Zoning Enforcement Section of the Department of Regional Planning the name and contact information of the new property owner.
28. The finished surface of the facility shall not be glossy or reflective in nature unless such finish is necessary to blend into existing design features. The finish shall be graffiti-resistant and shall have a color that blends in with the immediately surrounding environment.
29. The facility shall be maintained in good condition and repair, and shall remain free of: general dirt and grease; chipped, faded, peeling or cracked paint; trash, debris, litter, graffiti and other forms of vandalism; cracks, dents, blemishes and discolorations; visible rust or corrosion on any unpainted metal areas. Any damage from any cause shall be repaired within 30 days of notice. Weathered, faded or missing parts/materials used to disguise/camouflage the facility shall be maintained and/or replaced within 30 days of notice. Any and all graffiti shall be removed by the operator or property owner within 48 hours. Provided landscaping shall be maintained at all times and shall be promptly replaced if needed.
30. Upon request, the permittee/operator shall submit annual reports to the Zoning Enforcement Section of the Department of Regional Planning to show compliance with the maintenance and removal conditions.
31. The Department of Regional Planning project number, conditional use permit number and lease holder contact information shall be prominently displayed on the facility where it can be easily viewed at or near eye level.
32. The facility shall be secured by fencing, gates and/or locks.
33. Appurtenant equipment boxes shall be screened or camouflaged.
34. Antennas shall be painted or covered to match their background (branches or trunk). The antennas shall not extend beyond the monotree branches or fronds. There shall be ample branch coverage to hide the antennas from view as effectively as possible. Faux bark cladding shall be provided from the ground to five feet beyond where the faux branches begin; above the faux bark shall be flat non-reflective brown paint to match the bark.

November 16, 2010

In addition to the information required in the application, the applicant shall substantiate to the satisfaction of the Zoning Board and/or Commission, the following facts:

- A. That the requested use at the location proposed will not:
1. Adversely affect the health, peace, comfort or welfare of persons residing or working in the surrounding area, or
 2. Be materially detrimental to the use, enjoyment or valuation of property of other persons located in the vicinity of the site, or
 3. Jeopardize, endanger or otherwise constitute a menace to the public health, safety or general welfare.

The proposed is for a CUP to allow the use of a T-Mobile Wireless Telecommunications facility. The approval of this application will not adversely affect the health, peace, or welfare of persons residing or working in the surrounding area. Additionally, it will not be detrimental to the use of the existing property.

- B. That the proposed site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping and other development features prescribed in this Title 22, or as is otherwise required in order to integrate said use with the uses in the surrounding area.

The proposed is a wireless telecommunications facility located in a developed area and the property was originally developed pursuant Title 22.

- C. That the proposed site is adequately served:
1. By highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and
 2. By other public or private service facilities as are required

The proposed is for a wireless telecommunications continued use. The site is an unmanned facility and is only visited for routine maintenance visits. The existing property has proper access for ingress and egress. Additionally, the property is adequately served by streets and highways.

Re: Case Number: R2008-00738 (CUP R2008-00079)
Address: 349 West Altadena Drive, Altadena, CA
Applicant: Anthony Serpa for T-Mobile

Dear Mr. Bruckner,

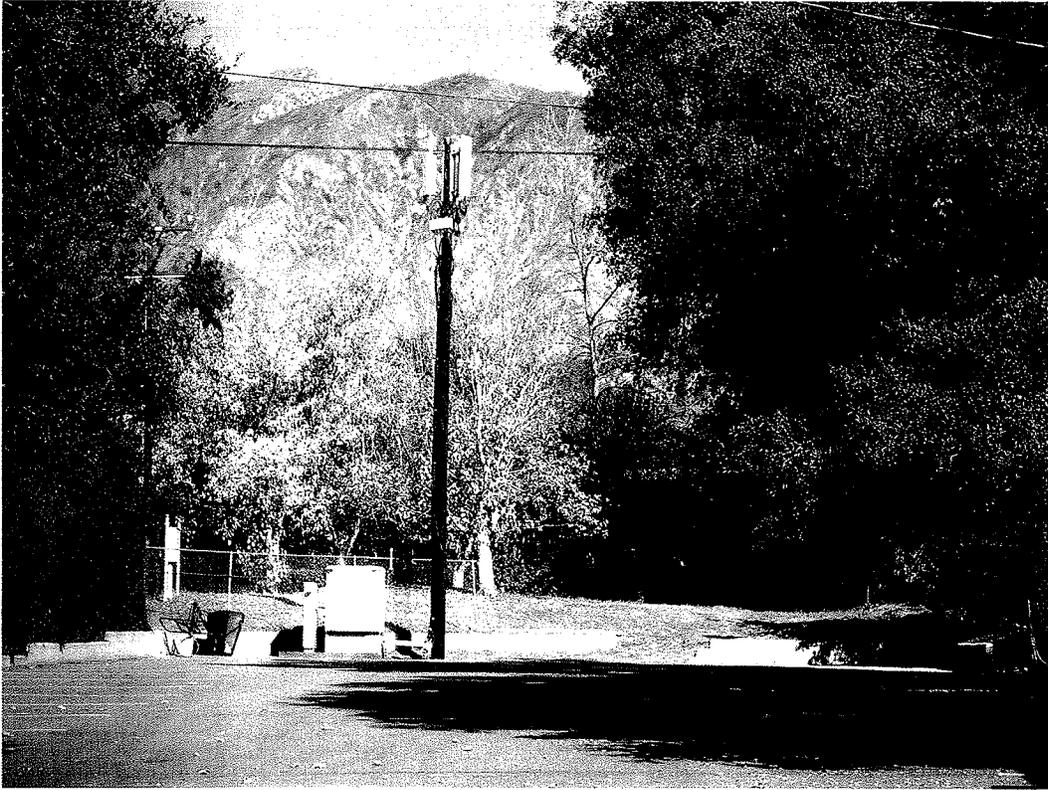

The Altadena Town Council acting on a recommendation by its Land Use Committee, resolved at its August 17, 2010 meeting to recommend **APPROVAL** of the installation of a telecommunications facility disguised as a 35 ft. monopine located in the R-1-7500 zone at 349 West Altadena Drive.

Sincerely,

Gino Sund, Chairman
Altadena Town Council

AUG 25 2010

Cc: Ms. Sussy Nemer, Senior Deputy to Supervisor Antonovich
Mr. Paul Novak, Planning Deputy to Supervisor Anotnovich

Existing wireless telecommunication facility to be removed.

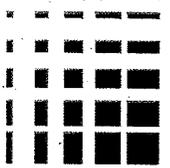

Existing access to the proposed wireless telecommunication facility.
