SUBJECT: **JUNE 24, 2009 – AGENDA ITEM # 7**
PROJECT NO. R2008-01324
ADVANCE PLANNING CASE NO. 2008-00008
ENVIRONMENTAL ASSESSMENT CASE NO. 2009-00045
AMENDMENT TO TITLE 22 (PLANNING AND ZONING) OF THE LOS ANGELES COUNTY CODE RELATED TO FARMWORKER HOUSING

At your meeting on June 24, 2009, the staff was scheduled to report back on the following:

- Clarification on the prohibition of farmworker dwelling units in ESHAs;
- Ideas for converting farmworker housing to other uses when they are no longer occupied by farmworkers; and
- Additional options for parking reductions for farmworker housing.

As Commissioner Modugno requested information, but will not be in attendance, the staff recommends that the Regional Planning Commission continue the public hearing on the revised draft farmworker housing ordinance to July 29, 2009.

If you have any questions please contact Anne Russett at (213) 974-6425 or arussett@planning.lacounty.gov.

RECOMMENDED MOTION

I move that the Regional Planning Commission continue the public hearing on the revised draft farmworker housing ordinance and the associated environmental documentation to July 29, 2009.
