

AT&T Westridge Rooftop – R2006-03240, Legend to Bio Constraints

Pink area – Area of Valley Oak Woodland

Green area, no hatch – *Harpagonella palmeri*, *Dodecahema leptoceras*,
Orcuttia californica (also underlies pink area)

Green area, hatch – existing SEA, has a solid green boundary

Proposed SEA is off this map scale and this project entirely

Blue hatch – liquefaction zone

Yellow hatch – landslide zone
