**Agenda Item: 7**

Due to lack of a qualified quorum for the public hearing scheduled for September 14, 2011, this project has been continued to September 21, 2011. Staff recommends that the public hearing for this project be continued to October 5, 2011 without discussion.

The hearing materials package will be distributed two weeks prior to the continued hearing date decided by your Commission. Should you have any questions on this project please feel free to contact me at (213) 974-6462.
