WEST RANCH TOWN COUNCIL
25876 The Old Road, #213
Stevenson Ranch, CA 91381
October 1, 2012

Mr. Rob Glaser
Los Angeles County
Department of Regional Planning

Dear Mr. Glaser:

SUBJECT: Permits R2011-00842-(5), CUP 201100083
25129 The Old Road, Stevenson Ranch
Verizon wireless-Wireless Telecommunications Facility (WTF)

As discussed on September 13th, Verizon Wireless is proposing the installation of a WTF on the roof of the building located at 25129 The Old Road in the Sunset Pointe area of Stevenson Ranch. Subsequent to our letter of September 15, 2012, Mr. Justin Robinson, representing Verizon Wireless has provided specific information, including picture simulations of the proposed installation. This information has been reviewed and no aesthetic problems are observed. I have discussed this with the President of the West Ranch Town Council, Mr. Don Fleming. We therefore rescind our request that the County Department of Regional Planning put a hold on the hearing scheduled for October 2, 2012. In addition, we rescind our request that a representative of the County or Verizon Wireless present information about the proposed project at the Town Council's next meeting.

The meeting of the West Ranch Town Council scheduled for 6:30 PM on October 3, 2012 at the Tournament Players Club, located at 26550 Heritage View Lane in Westridge [Valencia] has also been cancelled. Thank you for your assistance.

Sincerely,
