**FINDINGS AND ORDER OF THE HEARING OFFICER
COUNTY OF LOS ANGELES**

**PROJECT NUMBER R2012-01149-(4)
CONDITIONAL USE PERMIT NUMBER 201200073**

REQUEST: Modification to conditions of approval to previously approved Conditional Use Permit No. 201200073. Condition No. 19 as modified, shall read as follows:

"This grant shall authorize a karaoke center with twenty-six (26) entertainment rooms. No consolidation of rooms is permitted."

HEARING DATE: November 17, 2015

PROCEEDINGS BEFORE THE HEARING OFFICER:

Findings

1. The project site is located at 18888 Labin Court, Unit #C-201 in the unincorporated community of Rowland Heights.
2. Zoning on the subject property is C-3-BE (Unlimited Commercial – Billboard Exclusion) zone.
3. The project was originally approved on November 6, 2012 by the Hearing Officer to authorize the operation of a new karaoke center within an existing multi-tenant shopping center.
4. The applicant has requested a modification to the conditions of approval for Conditional Use Permit No. 201200073 to allow the establishment to operate a total of twenty-six entertainment rooms to accommodate the establishment's high customer demand during peak weekend periods.
5. The request would change the approved Exhibit "A" to include an additional eleven entertainment rooms to the existing fifteen rooms for a total of twenty-six rooms.
6. Pursuant to Section 22.56.1600, the modification to previously approved conditions is allowed for modifications that will not result in a substantial alteration or material deviation from the terms and conditions of the previously approved permit. This project requests to add eleven entertainment rooms to an existing karaoke center for a total of twenty-six rooms. As the original approved occupant load of 191 persons will remain unchanged as determined by the Department of Public Works, Building and Safety, there is not a substantial alteration or material deviation from the previously approved conditions.

7. The proposed condition modification was requested to allow the establishment to accommodate additional customer demand during peak weekend periods.
8. With the requested modification, Condition No. 19 would have read as follows:

"This grant shall authorize a karaoke center with twenty-six (26) entertainment rooms. No consolidation of rooms is permitted."
9. Pursuant to the provisions of Sections 22.56.1620 of the County Code, the community was appropriately notified of the request by mail, newspaper and property posting.
10. Pursuant to the provisions of Section 22.56.1630 of the County Code, if not more than one protest to the request for a minor modification to a conditional use permit is received during the appeal period the Hearing Officer may approve the request.
11. Staff has received an opposition petition containing six signatures and an opposition letter from the Rowland Heights Community Coordinating Council to the proposed modification of the conditions of approval for this project.

BASED ON THE FOREGOING, THE HEARING OFFICER CONCLUDES:

REGARDING THE MODIFICATION OF THE CONDITIONAL USE PERMIT:

- A. Pursuant to the provisions of Section 22.56.1630 of the County Code, if more than one protest to the granting of the application was received within the specified protest period, the hearing officer shall deny the application.

HEARING OFFICER ACTION:

1. In view of the findings of facts presented above, the requested Modification to Conditional Use Permit 201200073 is **DENIED**.

**FINDINGS AND ORDER OF THE HEARING OFFICER
COUNTY OF LOS ANGELES
PROJECT NO. R2012-01149-(4)
CONDITIONAL USE PERMIT NO. 201200073**

1. **ENTITLEMENT REQUESTED.** The applicant, Chao Chen & Peng Zhu, is requesting a Conditional Use Permit (CUP) to authorize a karaoke center pursuant to County Code Section 22.28.210 in the C-3-BE (Unlimited Commercial, Billboard Exclusion) Zone.
2. **HEARING DATE.** November 6, 2012
3. **PROCEEDINGS BEFORE THE HEARING OFFICER.** The applicant's representative, Peter Wang, presented testimony in favor of the request and answered questions presented by the Hearing Officer. There being no further testimony, the Hearing Officer closed the public hearing and approved the project subject to the conditions recommended by staff and agreed to by the applicant's representative.
4. **PROJECT DESCRIPTION.** The proposed project is to authorize a karaoke center within a newly established two-story, multi-tenant commercial center (authorized by Plot Plan No. 200800405). The proposed 6,800 square foot facility would have fifteen individual entertainment rooms and an occupant load of 191 persons and would require 64 parking spaces. Food and beverages would be served incidental to the primary karaoke use. Operating hours would be from 10 a.m. to 2 a.m., seven days a week.
5. **LOCATION.** 18888 Labin Court, Unit #C-201, Rowland Heights
6. **EXISTING ZONING.** The subject property is zoned C-3-BE (Unlimited Commercial, Billboard Exclusion), in the Puente Zoned District. Surrounding properties are zoned as follows:
 - North: M-1.5-BE (Restricted Heavy Agricultural, Billboard Exclusion)
 - South: C-3-BE
 - East: C-3-BE, C-3, A-1-6,000 (Light Agricultural, 6,000 sq. ft. minimum lot size)
 - West: R-3-12U (Limited Multiple Residence, 12 dwelling unit/acre maximum density)
7. **EXISTING LAND USES.** The subject property is developed with a commercial center. Surrounding properties are developed as follows:
 - North: State Route 60 (Pomona Freeway), Motel, Shopping Center
 - South: Driving Range
 - East: Motel, Restaurant, Commercial, Automobile Repair, Single-Family Residences
 - West: Mobile Home Community

8. PREVIOUS CASES/ZONING HISTORY.

- Plot Plan No. 200800405 to authorize the original construction of the shopping center was approved on July 23, 2009.
- Plot Plan No. 201000980 to authorize a new 4-level parking structure was approved on March 7, 2012.
- (Pending) Conditional Use Permit No. 201200087 to establish a 3,900 square foot Billiard Hall with an occupant load of 62 persons.

9. GENERAL PLAN / COMMUNITY PLAN CONSISTENCY.

The project site is located within the Commercial (C) land use category of the Rowland Heights Community Plan. The proposed project is consistent with the permitted uses of the underlying land use category which is intended for retail commercial, service and office uses.

The following policy of the General Plan is applicable to the proposed project:

- Promote neighborhood commercial facilities which provide convenience goods and services and complement community character through appropriate scale, design and locational controls. (Land Use Element: Ensure Compatibility of Development - Policy No. 9, Page III-12)

The proposed project provides a convenience service to the surrounding community and complements the community character through appropriate locational controls.

The following policy of the Rowland Heights Community Plan is applicable to the proposed project:

- Encourage the location of commercial and industrial structures where appropriate along freeway and highway routes. (Noise – Policy No. 2, Page 29)

The project site is located directly south of the State Route 60 Pomona Freeway and is located off of Nogales Street, an existing major highway.

10. ZONING ORDINANCE AND DEVELOPMENT STANDARDS COMPLIANCE.

A karaoke facility use is not specified in Title 22 of the Los Angeles County Code (Zoning Code). The use that is most closely related to a karaoke facility specified in the Code is a Bowling Alley or Billiard Hall. Bowling Alley or Billiard Hall are permitted in the C-3 (Unlimited Commercial) Zone under Section 22.28.210 of the Zoning Code, subject to the issuance of a conditional use permit pursuant to the provisions of Part 1 of Chapter 22.56.

Per Section 22.52.1110, entertainment, assembly, and dining uses require one automobile parking space for each three persons based on the occupant load as determined by the County Engineer.

The Building and Safety Division of the Department of Public Works has determined that the occupant load for the karaoke facility is 191 persons. Therefore 64 parking spaces are required. These parking spaces are available among the 618 existing and proposed parking spaces at the site.

11. **NEIGHBORHOOD IMPACT/LAND USE COMPATIBILITY.** The proposed karaoke facility is located within a commercial center which is located adjacent to the 60 Pomona Freeway to the north, commercial uses to the west, open space (driving range) to the south, and a mobile home community to the west. A 74-foot 3-inch setback (which exceeds the 30-foot 9-inch setback required by the CSD) separates the commercial center from the neighboring mobile home community. This setback, along with the location and orientation of the proposed use within the interior of the commercial center ensures that the use will not create a noise nuisance to the surrounding residences.

The parking spaces at the rear of the building, nearest to the mobile home community, are primarily used for employees and deliveries. Use of this portion of the parking lot by patrons of the proposed use could potentially create a nuisance (light and noise) if cars are entering and exiting that portion of the parking lot until 2 a.m. A condition of approval is included in this permit to prohibit the use of these parking spaces by patrons of the proposed use to prevent such nuisance.

The shopping center's location and design which buffers the proposed use from the adjacent residences, and the proposed use's consistency with the Rowland Heights Community Plan and Countywide General Plan, make it compatible with the surrounding neighborhood, with appropriate conditions.

If approved, a ten (10) year term is recommended for the requested Conditional Use Permit. This is based on the need to reevaluate the compatibility of the project with the surrounding community. It is also recommended that the project be inspected annually for compliance with the final conditions of approval.

12. **LEGAL NOTIFICATION AND PUBLIC OUTREACH.** Pursuant to the provisions of Sections 22.60.174 and 22.60.175 of the County Code, the community was appropriately notified of the public hearing by mail, newspaper and property posting.
13. **PUBLIC COMMENTS.** No comments were received.

CONDITIONAL USE PERMIT SPECIFIC FINDINGS

14. The proposed project is consistent with the permitted uses of the designated land use category and supports policies of the Rowland Heights Community Plan and Countywide General Plan.

Therefore, the proposed use will be consistent with the adopted general plan for the area.

15. The proposed project's orientation and location within the commercial center, the significant side yard setback of the commercial center, and the proposed project conditions regarding the operation of the facility reduce the likelihood that the project will negatively affect the persons residing in the neighboring residences. Therefore, the requested use at the location proposed will not adversely affect the health, peace, comfort or welfare of persons residing or working in the surrounding area, will not be materially detrimental to the use, enjoyment or valuation of property of other persons located in the vicinity of the site, and will not jeopardize, endanger or otherwise constitute a menace to the public health, safety or general welfare.
16. The existing commercial center was constructed in compliance of the development standards in the County Zoning Code.

Therefore, the proposed site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping and other development features prescribed in this Title 22, of as is otherwise required in order to integrate said use with the uses in the surrounding area.

17. The site is served by Labin Court, a fully improved collector street. Under the previous approval of the commercial center plot plan, the applicant is required to comply with the conditions of approval by the County Department of Public Works for any necessary street improvements to accommodate the traffic generated by the commercial center.

Therefore, the proposed site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required.

ENVIRONMENTAL DETERMINATION

18. The project proposed is to authorize a karaoke center within an existing structure which has adequate parking to accommodate the use. There is no expansion or new construction proposed apart from minor interior tenant improvements. The project is not an exception to any categorical exemptions.

Therefore, the project qualifies as a Categorical Exemption (Class 1 – Existing Facilities) and is consistent with the finding by the State Secretary for Resources or by local guidelines that this class of projects does not have a significant effect on the environment.

19. **TERM LIMIT.** To assure continued compatibility between the use of the subject property allowed by this grant and surrounding land uses, the Hearing Officer determines that it is necessary to limit the term of the grant to ten (10) years.

20. **RECORD OF PROCEEDINGS.** The location of the documents and other materials constituting the record of proceedings upon which the Hearing Officer's decision is based in this matter is at the Los Angeles County Department of Regional Planning, 13th Floor, Hall of Records, 320 West Temple Street, Los Angeles, CA 90012. The custodian of such documents and materials shall be the Section Head of the Zoning Permits East Section, Los Angeles County Department of Regional Planning.

BASED ON THE FOREGOING, THE HEARING OFFICER CONCLUDES:

- A. That the proposed use will be consistent with the adopted general plan for the area; and
- B. That the requested use at the location proposed will not adversely affect the health, peace, comfort or welfare of persons residing or working in the surrounding area, will not be materially detrimental to the use, enjoyment or valuation of property of other persons located in the vicinity of the site, and will not jeopardize, endanger or otherwise constitute a menace to the public health, safety or general welfare; and
- C. That the proposed site is adequate in size and shape to accommodate the yards, walls, fences, parking and loading facilities, landscaping and other development features prescribed in this Title 22, of as is otherwise required in order to integrate said use with the uses in the surrounding area; and
- D. That the proposed site is adequately served by highways or streets of sufficient width and improved as necessary to carry the kind and quantity of traffic such use would generate, and by other public or private service facilities as are required.

THEREFORE, the information submitted by the applicant and presented at the public hearing substantiates the required findings for a Conditional Use Permit as set forth in Section 22.56.090 of the Los Angeles County Code (Zoning Ordinance).

HEARING OFFICER ACTION:

- 1. The Hearing Officer has considered the Categorical Exemption for this project and certifies that it is consistent with the finding by the State Secretary for Resources or by local guidelines that this class of projects does not have a significant effect on the environment.
- 2. In view of the findings of fact and conclusions presented above, Conditional Use Permit No. 201200073 is Approved subject to the attached conditions.

15. The permittee shall maintain the subject property in a neat and orderly fashion. The permittee shall maintain free of litter all areas of the premises over which the permittee has control.
16. All structures, walls and fences open to public view shall remain free of graffiti or other extraneous markings, drawings, or signage that was not approved by Regional Planning. These shall include any of the above that do not directly relate to the business being operated on the premises or that do not provide pertinent information about said premises. If changes to the site plan are required as a result of instruction given at the public hearing, **three (3) copies** of a modified Exhibit "A" shall be submitted to Regional Planning within sixty (60) days of the date of final approval.
18. In the event that subsequent revisions to the approved Exhibit "A" are submitted, the permittee shall submit **three (3) copies** of the proposed plans to the Director for review and approval.
