SUBJECT: **Project No. R2014-01883-(4)**
Conditional Use Permit No. 201400076
HO Meeting: October 7, 2014
Agenda Item: 2

The above-mentioned item is a request to install and operate a new wireless telecommunications facility (WTF) onto an existing Southern California Edison electrical transmission tower located at a plant nursery on a site approximately 340 ft. north of the intersection of Paso Verde Drive and Clementina Drive in the unincorporated community of Hacienda Heights.

Staff is proposing that this item be taken off calendar to determine a hearing date before the Regional Planning Commission due to written opposition to the project from the community and from the Hacienda Heights Improvement Association.
