**SUBJECT: Project No. R2015-02353-(5)
Conditional Use Permit No. 201500095
HO Meeting: September 6, 2016
Agenda Item: 9**

The above-mentioned item is a request for a Conditional Use Permit to authorize a new wireless telecommunication facility located in the parking lot of an existing church. This item was first scheduled for public hearing on November 17, 2015 and was subsequently continued to March 15, 2016 and June 21, 2016, without the public hearing being opened.

On June 21, 2016, the Hearing Officer opened the public hearing and requested the applicant for additional information regarding the Alternative Site Analysis conducted for the project. The Hearing Officer also requested staff for additional information regarding County Counsel's legal opinion on staff's proposed recommendation. To allow the applicant and staff time to submit and review the requested information, the Hearing Officer continued the public hearing to September 6, 2016.

At this time, the applicant has not submitted to staff the additional information requested by the Hearing Officer. To allow the applicant additional time to submit these materials, staff recommends that the Hearing Officer continue this item to November 1, 2016.

If you need further information, please contact Carl Nadela at (213) 974-6435 or cnadela@planning.lacounty.gov. Department office hours are Monday through Thursday from 7:00 a.m. to 6:00 p.m. The Department is closed on Fridays.

SUGGESTED MOTION:

I, THE HEARING OFFICER, CONTINUE THE ITEM TO NOVEMBER 1, 2016.
