RE: Request for Withdrawal of Conditional Use Permit Nos. 201100070 and 201100071

Mr. Szalay,

sPower (Sustainable Power Group, formerly Silverado Power) is requesting the withdraw of Conditional Use Permit No. 201100070, referred to as the Western Antelope Blue Sky Ranch project ( EIR Project No. 2, Los Angeles County Project No. R2011-00798), and Conditional Use Permit No. 201100071, referred to as American Solar Greenworks (EIR Project No. 3, Los Angeles County Project No. R2011-00799). Due to a number of factors, further development of these projects is not feasible at this time. We are appreciative of the County's efforts to assist the projects to this point, and we look forward to continued collaboration on our remaining and future projects within the County.

Sincerely,

Ryan Galeria  
Project Manager
