Subject: Comments on Revised NOP for Centennial Project
Date: Tuesday, November 03, 2015 11:05:33 AM

Dear Mr. Dea,

Thank you for the opportunity to comment on the Revised Notice of Preparation for the proposed Centennial Project. In reviewing the project description and potential traffic/circulation impacts, the City of Santa Clarita requests that the following intersections and roadway links be included as part of the traffic/access section of the EIR.

- 1) Interstate 5, between State Route 138 and State Route 14
- 2) Newhall Ranch Road/SR-126 interchange at Interstate 5
- 3) Magic Mountain Parkway interchange at Interstate 5

Please contact me if you have any questions.

Ian Pari
Senior Traffic Engineer
City of Santa Clarita
