TENTATIVE TRACT MAP NO. 068193
PLAN AMENDMENT NO. 200700003
ENVIRONMENTAL ASSESSMENT NO. 200700080**

Dear Applicant:

A review of our records shows that a request for 17 single-family lots was filed with the Los Angeles County Department of Regional Planning ("Regional Planning") on April 25, 2007. The Los Angeles County Subdivision Committee last met on June 11, 2007 to discuss the subject project. No activity has occurred on the project since that time, and the last time extension granted by the Director of Regional Planning expired on October 19, 2009.

Pursuant to Los Angeles County Code ("County Code") Sections 21.16.060, 21.40.110, and 22.56.060, related to inactivity, failure to submit required application materials, and lack of information, the project identified above **will be scheduled for denial** before a Los Angeles County Hearing Officer on **April 16, 2013**.

If you wish to keep this project active, please send a written request to Regional Planning Land Divisions Section, Room 1382, 320 West Temple Street, Los Angeles, CA 90012, Attention: Lynda Hikichi. This correspondence must be received within **30 days from the date of this letter** in order to avoid being scheduled for denial. After responding to this letter within 30 days, you must submit a revision to the tentative map and/or other requested information within 90 days of the date of this letter or this project will be automatically scheduled for denial at the next available Hearing Officer meeting.

If you have any questions, you may contact Lynda Hikichi at (213) 974-6433. Our office hours are Monday through Thursday, 7:30 a.m. to 5:30 p.m. Our offices are closed on Fridays.

Sincerely,

**DRAFT FINDINGS OF THE HEARING OFFICER
COUNTY OF LOS ANGELES
PROJECT NO. TR068193 - (5)
TENTATIVE TRACT MAP NO. 068193
PLAN AMENDMENT NO. 200700003**

1. The Hearing Officer of Los Angeles County, Ms. Pat Hachiya, considered Tentative Tract Map ("TR") No. 068193 on April 16, 2013. TR 068193 was considered along with Plan Amendment ("PA") No. 200700003.
2. TR 068193 is a request to create 17 single-family lots on 19.24 acres within the A-2-1 (Heavy Agricultural – One Acre Minimum Required Lot Area) Zone. The project site is located on 116th Street, Littlerock in the Antelope Valley East Zoned District.
3. PA 200700003 is a request to amend the Antelope Valley Area Plan Category from N1 (Non-Urban 1 – 0.5 du/ac) to N2 (Non-Urban 2 – 1.0 du/ac).
4. The project was filed with the Los Angeles County Department of Regional Planning ("Regional Planning") on April 25, 2007. The Los Angeles County Subdivision Committee last met on June 11, 2007 to discuss the subject project. Holds were placed on the project. The requested materials were never submitted and no activity has occurred on the project since that time. The last time extension for this project granted by the Director of the Los Angeles County Department of Regional Planning expired on October 19, 2009.
5. Since the applicant failed to provide the requested information and/or materials, there is insufficient information to determine the feasibility of the project design, general plan consistency or whether approval of the map would be in the public interest, pursuant to Section 21.40.160 (Advisory Agency Determination Authority) of the Los Angeles County Code ("County Code"). Because of this, the Subdivision Committee is unable to recommend a final action to the Advisory Agency.
6. Since the Plan Amendment request is dependent upon the processing of the tentative tract map, the Subdivision Committee is unable to recommend a final action to the Advisory Agency for PA 200700003 due to insufficient information and/or materials.
7. Staff sent a letter to the applicant dated March 14, 2013 informing the applicant that pursuant to Section 21.16.060 (Public Hearings) and Section 21.40.110 (Matters Required to Complete Submittal and Filing) of the County Code, the case would be scheduled before a Hearing Officer for denial due to inactivity on April 16, 2013.

8. The March 14, 2013 letter also directed the applicant to contact Regional Planning staff within 30 days for the project to remain active. After contacting Regional Planning staff, the applicant was required to provide a revision to the tentative map and/or submit other requested information within 90 days of the date of the March 14, 2013 letter.
9. The applicant has failed to submit the required materials within the required timeframe (30 days), which was by April 15, 2013.
10. SUMMARY OF EVENTS AT THE HEARING OFFICER MEETING.

THEREFORE, in view of the findings of fact presented above, Tentative Tract Map No. 068193 and Plan Amendment No. 200700003 are DENIED.
