Dear Mr. Szalay,

**OAK TREE PERMIT NUMBER 2007-00018
VTTM 53295 ENTRADA SOUTH ADDENDUM
UNINCORPORATED SANTA CLARITA**

We have reviewed the amendment to the Oak Tree Report for Oak Tree Permit 2007-00018, Entrada South. The project is located South and West of the intersection of Magic Mtn. Parkway and the Old Road in an unincorporated area of Santa Clarita. The Oak Tree Report is accurate and complete as to the location, size, condition and species of the Oak trees on the site. The term "Oak Tree Report" refers to the document on file by Land Design Consultants, the consulting arborist, dated January 20, 2014.

We recommend the following as conditions of approval:

As a result of changes to the previous grading limits, there is one (1) tree that has changed its status. Tree Number 4352 a Valley Oak, Quercus lobata, changed from being encroached to having no impacts.

Oak Tree Permit 2007-00018 can be changed to encroach within the protected zone of eleven (11) trees (previously there were twelve (12) encroachments) and remove sixty-seven (67) trees.
