VISION (vizh'en) n. describes and articulates a desired future

Where will you, your family, and friends live, work, and play in the Antelope Valley over the next 10 years? People of all ages are invited to take part in a community meeting focused on creating a shared **VISION** to start the process of shaping what future development will look like. You tell us how and where change will occur. This **VISION** will establish the foundation for **TOWN & COUNTRY**, a project updating the Antelope Valley Area Plan.
