GOAL (gōl) n. an end that one strives to attain

Where will you, your family, and friends live, work, and play in the Antelope Valley over the next 10 years? People of all ages are invited to take part in a community meeting focused on creating **GOALS** to carry out the Valleywide vision for what future development will look like. You tell us how and where change will occur. These **GOALS** will establish the framework for implementing the updated Antelope Valley Area Plan.
