IMPLEMENTATION (im'pluh'men'tae'shun) *n.* putting into effect by means of a plan

Where will you, your family, and friends live, work, and play in the Antelope Valley over the next 10 years? People of all ages are invited to take part in a community meeting focused on creating an **IMPLEMENTATION** plan to carry out goals and policies affecting community services, development, the environment, and infrastructure. These meetings will help us in planning out the necessary steps to put into action the changes that have been expressed during the course of this Antelope Valley Area Plan update.
