MAPPING (map'ing) n. to survey or explore for the purpose of making a map

Where will you, your family, and friends live, work, and play in the Antelope Valley over the next 10 years? People of all ages are invited to take part in a community meeting focused on community-specific **MAPPING** exercises that will allow you to share thoughts on where you think development and conservation should take place. These **MAPPING** results will serve as the basis for the updated Antelope Valley Area Plan Land Use Map. **Please attend the meeting under which your community is listed.**
