09/14/2010	A member of the Land Use Coalition of Public Counsel's Early Care and Education Law Project, citing reference to the County of Los Angeles Child Care Planning Committee's adopted strategic plan, requested additional revisions to the Draft Plan to conform to the County's vision of childcare services. Specifically, he: included proposed revisions to clarify the availability of certain land use categories for childcare services; and, suggested moving the child care language from Public Services and Facilities to Land Use.	Staff found the recommended changes to be agreeable and the proposed revisions were made.	Allen W. Hubsch
