REPORT ON RENAMING “AVENUE N” IN THE ANTELOPE VALLEY WITH THE DUAL NAME OF R. LEE ERMELY WITH AVENUE N IN PARENTHESES (AGENDA OF JULY 31, 2018, ITEM NO. 50-B)

On July 31, 2018, the Los Angeles County Board of Supervisors directed the Director of Planning and other relevant Departments to commence the process of renaming the County portions of Avenue N, in the Antelope Valley, as “R. Lee Ermey Avenue” with Avenue N in parentheses and coordinate with the cities of Lancaster and Palmdale on a joint approval process; and report back to the Board in 30 days with a timeline and recommendations on how to complete the renaming process.

RECOMMENDATION
Street Naming Committee (SNC) staff recommends that the Board, in conjunction with the cities of Palmdale and Lancaster, assign all Avenue N street segments, the dual name of “R. Lee Ermey Avenue” with Avenue N in parentheses.

BACKGROUND/DISCUSSIONS
In May 2018, the City of Palmdale approached the SNC with a proposal for renaming Avenue N, in the Antelope Valley, as “R. Lee Ermey Avenue”. SNC representatives responded to Palmdale city representatives directing them to the County’s online website http://planning.lacounty.gov/streetNaming for documents to assist them with this process.

At that time, SNC members suggested that the road be renamed rather than receiving a dual name. This centered around issues that were discovered in existing datasets where the dual naming process has been used in the Antelope Valley in the past.
Concerns regarding street naming issues go beyond just simple addressing; they center around potential public safety issues that could arise in the response time for 911 calls.

In response to these concerns, Palmdale city representatives proposed giving “Avenue N” the dual name of “R. Lee Ermey Avenue” with Avenue N in parentheses. This would be done to forgo the need for residents or businesses to have to deal with a permanent address change.

It was then determined that Avenue N bisects County areas and areas within the jurisdiction of Lancaster. To address this, SNC members along with the City of Palmdale representatives determined that all existing segments of Avenue N be assigned the proposed dual name. Additionally, the SNC recommends that all future portions of Avenue N that are added (paved) are done so with the same name “R. Lee Ermey Avenue” with Avenue N in parentheses.

CURRENT STATUS
On August 15, 2018, the SNC received documents from the City of Palmdale showing that the City Council had adopted a resolution (CC 2018-057) on August 7, 2018 that Avenue N be given the dual name of “R. Lee Ermey Avenue” with Avenue N in parentheses. Within this document, SNC members discovered that the dual name proposal was only for that stretch of road extending from Sierra Highway, west, to Agena Road. This includes a small portion of EAST Avenue N (currently misnamed as WEST Avenue N) and all of W Avenue N.

PALMDALE STATUS
- Passed, Approved and Adopted a City Resolution to rename Avenue N to “R. Lee Ermey Avenue” with Avenue N in parentheses - COMPLETED on August 14, 2018
