UPDATE REPORT ON BOARD MOTION REGARDING THE OIL AND GAS STRIKE TEAM FOR UNINCORPORATED LOS ANGELES COUNTY (MARCH 29, 2016 - AGENDA ITEM NO. 12)

On March 29, 2016, the Los Angeles County Board of Supervisors (Board) passed a motion instructing the Director of Regional Planning, in coordination with the Fire Chief, Director of Public Health, and Director of Public Works to convene a Strike Team to assess the conditions, regulatory compliance and potential public health and safety risk associated with existing oil and gas facilities in unincorporated Los Angeles County. The Board instructed the Strike Team to report back on a biannual basis with a summary of its findings and any recommendations on legislative and regulatory positions that the Board should consider.

The Oil and Gas Strike Team meeting to discuss the eight report was scheduled for March 25, 2020. Subsequently, it was cancelled due to the recommendations to cease public meetings regarding the COVID-19 virus. The Oil and Gas Strike Team will reconvene to review and discuss the update Report #8 for submittal once public meetings are allowed.
