REQUEST FOR EXTENSION OF COMMENT PERIOD FOR THE DRAFT ENVIRONMENTAL IMPACT REPORT OF THE LOS ANGELES COUNTY GENERAL PLAN UPDATE

Dear Ms. Chung:

We are in process of reviewing the Draft Environmental Impact Report (DEIR) for the Los Angeles County General Plan update and, although we will make every effort to provide comments by the deadline of August 7, we respectfully request a two-week extension until August 21, 2014. Due to the lengthiness of the document and its appendices and the need to involve persons at the Regional Water Board from multiple programs in the review, preparation of a coordinated comment letter would greatly benefit from the additional time. Thank you for the consideration and please contact Shirley Birosik at 213-576-6679 or at Shirley.Birosik@waterboards.ca.gov should there be any questions.

Sincerely,

A handwritten signature in black ink that reads "Deborah J. Smith for".
