Thank you for your comments! We will forward your letter to the Regional Planning Commission. We are working on edits to the Draft General Plan to strengthen the rural policies. We will certainly keep you posted. Please let us know if you have any questions!

All the best,

Connie

RE: Los Angeles County's Draft General Plan Update

To Whom it may Concern,

Antelope Acres residents will be greatly affected by changes to the General Plan, and we ask that the following comments and concerns be taken into serious consideration when making your final decisions.

We do not support increased density or infrastructure for future growth, as that would create a different way of life to include more crime, traffic, noise and a lifestyle that is generally not what we prefer. We would rather a slower pace and open space, not the traffic, crime, noise and lights of the city. We're invested in our communities, properties, neighborhoods and lifestyles and we depend on you to protect our rural lifestyle and preserve the unique character of the Antelope Valley.

We would like to ask that you identify and protect the unique characteristics that make our community "rural" and consider the opinions of the residents of affected areas when making decisions that affect us on such a basic level.

Thank you for your consideration. Please feel free to contact me at your convenience at 661-618-9976.

Sincerely,

Julie Schuder
Correspondence Secretary
