

# TABLE OF CONTENTS

A) Intent and Purpose .....	1
B) District Boundaries .....	2
C) Definitions.....	2
D) Area-Specific Development Standards .....	11
1) Operation Limits .....	11
E) Oil Field Development Standards.....	11
1) Fire Protection & Emergency Response.....	11
2) Air Quality and Public Health.....	12
3) Safety and Risk of Upset.....	20
4) Geotechnical .....	21
5) Noise Attenuation .....	27
6) Vibration Reduction.....	30
7) Biological Resources .....	30
8) Cultural/Historic Resources .....	34
9) Lighting.....	35
10) Landscaping, Visual Screening, Irrigation and Maintenance .....	35
11) Oil Field Waste Removal.....	36
12) Construction of Private Roads .....	36
13) Signs.....	37
14) Painting .....	38
15) Sumps.....	38
16) Well Cellars .....	39
17) Stormwater and Drainage Management.....	40
18) Water Management Plan.....	41
19) Groundwater Monitoring .....	42
20) Fencing.....	42
21) Oil Field Maintenance.....	42
22) Security .....	43
23) Vehicle Parking.....	43
24) Sanitation .....	43
25) Storage of Hazardous Materials.....	44
26) Drilling, Redrilling and Reworking Operations.....	44
27) Processing Operations.....	47
28) Well Reworking Operations .....	50
29) Tanks.....	51
30) Well and Production Reporting .....	52
31) Idle Well Testing and Maintenance .....	53
32) Abandoned Well Testing .....	53
33) Well and Well Pad Abandonment.....	53
34) County Request for Review of Well Status .....	55
35) Reduced Throughout Triggering Review .....	55
36) Abandonment Procedures .....	55
F) Monitoring and Compliance .....	56
1) Environmental Quality Assurance Program (EQAP) .....	56

2) Environmental Compliance Coordinatorv .....	57
3) Safety Inspection, Maintenance, and Quality Assurance Program (SIMQAP) .....	58
4) Annual Emergency Response Drills of the County and Culver City Fire Departments .....	59
5) Noise Monitoring .....	60
6) Vibration Monitoring .....	60
7) Complaints .....	61
G) Administrative Items .....	61
1) Cost of Implementing Monitoring and Enforcing Conditions .....	61
2) Draw-Down Account .....	62
3) Indemnification .....	63
4) Insurance Requirements .....	63
5) Performance Bond .....	64
6) Other Obligations .....	65
7) Periodic Review .....	65
8) Multiple-Agency Coordination Committee (MACC) .....	66
9) Related County Code Provisions .....	67
H) Permitting .....	67
1) Director’s Review Required .....	67
2) Conditional Use Permit Required .....	68
3) Conditional Use Permit Requirements .....	69
4) Application Where Violation Exists .....	69
I) Enforcement .....	69
1) Civil Penalties and Performance Security .....	69
2) Access to Records and Facilities .....	71
3) Right of Entry .....	71
J) Public Outreach .....	71
1) Community Advisory Panel (CAP) .....	71
2) Community Relations .....	73
3) Ombudsperson .....	74
K) Modification of Development Standards .....	75
1) The Director may permit modifications ... ..	75
2) Application .....	75
3) Notice .....	76
4) Application—Approval or Denial – Conditions .....	76
5) Notification of Decision .....	77
6) Appeal Procedures .....	77
L) Implementation Provisions .....	78
1) Fire Protection and Emergency Response .....	79
2) Air Quality and Public Health .....	80
3) Safety and Risk of Upset .....	82
4) Geotechnical .....	84
5) Noise Attenuation .....	87
6) Biological Resources .....	88
7) Cultural/Historic Resources .....	89

8) Landscaping .....	89
9) Oil Field Waste Removal.....	90
10) Signs.....	90
11) Painting .....	91
12) Water Management Plan.....	91
13) Ground Water Monitoring .....	92
14) Oil Field Cleanup and Maintenance .....	92
15) Storage of Hazardous Materials.....	92
16) Drilling, Redrilling, Well Abandonment, and Well Pad Restoration Plan .....	93
17) Processing Operations.....	93
18) Tanks.....	93
19) Monitoring Compliance .....	94
20) Administrative Items.....	94
21) Public Outreach.....	95
