

SECTION 1. Section 22.52.1084.G is hereby added as follows:

G. Loading areas required by this Section shall include at least one posted sign stating a message such as "no idling", "spare the air", "turn your engine off", or similar. Related graphics are permitted on said sign. Said sign shall be a minimum size of 12 inches wide by 18 inches in height and shall be prominently displayed and visible within the loading area.
