Hello Ayala,

On behalf of the Tribal Historic and Cultural Preservation (THCP) Department of the Fernandeño Tataviam Band of Mission Indians (Tribe), thank you for the opportunity to provide comments on the proposed ordinance.

The THCP Department would like to consult if and when projects require ground disturbing activity within the Tribe's area.

I appreciate your time and look forward to working with your department in the future.

Thank you,

Hi Ayala,

Thank you for contacting the San Manuel Band of Mission Indians (SMBMI) regarding the above referenced project. SMBMI appreciates the opportunity to review the project documentation, which was received by our Cultural Resources Management Department on 1 June 2018, pursuant to CEQA (as amended, 2015) and CA PRC 21080.3.1. The proposed project area partially exists within Serrano ancestral territory and, therefore, is of interest to the Tribe. However, due to the nature of the proposed project, and given the CRM Department’s present state of knowledge, SMBMI does not have any concerns with the project’s implementation, as planned, at this time. However, when specific projects are planned and implemented within those areas affected by the Ordinance, SMBMI might have comments and/or request formal consultation with the County pursuant to CEQA (as amended, 2015) and CA PRC 21080.3.1.

Regards,
