NOTES:

* SOURCE: South Coast Wildlands - South Coast Missing Linkages Project.

This map is a component of the Los Angeles County General Plan Update Program. It is a working draft subject to revision. Information within cities is for reference only. All suggestions for modifications to its contents received prior to August 30, 2007 will be considered by County staff when revising the map in preparation for public hearings by the Regional Planning Commission. Written comments and supporting documentation should be submitted to the Department of Regional Planning General Plan Development Section (address: 320 W. Temple Street, Los Angeles, CA 90012; fax: 213-626-0434; or e-mail: generalplan@planning.lacounty.gov).

-Street network data and Significant Water Bodies data were derived from the Thomas Bros. database and reproduced with permission from Thomas Bros. Maps.
-Stream data was also taken from Thomas Bros. data, which originated from USGS.
