

Very High Fire Hazard
Severity Zone

Figure 8.3

LEGEND:

-  Very High Fire Hazard Severity Zone *
-  Unincorporated Area
-  National Forest

* SOURCE: Very High Fire Hazard Severity Zone data was provided by the Los Angeles County Fire Department in 2005 for unincorporated areas only.

NOTE: This map is a component of the Los Angeles County General Plan Update Program. It is a working draft subject to revision. This map will not be official until adopted by the Board of Supervisors. Information within cities is for reference only. Suggestions for modifications to its content will be considered by County staff when revising the map for public hearings by the Regional Planning Commission. Written comments and supporting documentation should be submitted to the Department of Regional Planning General Plan Development Section (address: 320 W. Temple Street, Los Angeles, CA 90012; fax: 213-626-0434; or email: generalplan@planning.lacounty.gov).
