Welcome!

Agenda and Schedule

I. Registration: 9:00 A.M.
II. Welcome/Orientation: 9:15 A.M.
III. Walking Tour and Mobile Workshop: 9:30 A.M.
IV. Group Discussions: 11:45 A.M.
V. Workshop Conclusion: 1:00 P.M.

Workshop Stops

1. Admiralty Way
   After registering and attending the orientation, follow your tour leader for a walking tour along Admiralty Way. Use this booklet to record your observations. We will return to the Marina del Rey Library and board a van for a ride to Stop 2 (Channel Entrance).

2. Channel Entrance
   The van will take you to the Department of Beaches and Harbors offices. This stop will focus on the marina's Main Channel Entrance and vicinity. Upon completing this stop, you will board the same van and drive out to the Marina del Rey Hotel for your final stop.

3. Group Discussions at Marina del Rey Hotel
   Once you arrive at the hotel, your group will convene at the Regatta Room. Your tour leader will lead a discussion to explore ideas for Marina (Mother’s) Beach and other areas of Marina del Rey. When you have completed the tour and discussion please hand in your filled-in booklet to your tour leader.

Introduction

Thank you for attending this workshop and sharing your thoughts on Marina del Rey.

The purpose of this walking tour and mobile workshop is to provide you with an opportunity to experience Marina del Rey and share your input on several topics related to improving and enhancing the Marina. THIS BOOKLET provides a place for you to share your ideas with Los Angeles County Department of Regional Planning staff.

Using this Booklet

This tour covers two stops: walking tour along a portion of Admiralty Way and a short drive to the area around the channel entrance. Break-out group discussions will be facilitated at the Marina del Rey Hotel. From start to finish, this workshop should take approximately four hours to complete.

Please take a moment to familiarize yourself with the map and questions on the opposite and back pages. The map shows the walking tour areas and driving stops, along with the key features of Marina del Rey. When visiting a stop, a tour leader will guide you through the questions. Please provide your comments and responses on the spaces provided in this booklet. If you run out of space, a tour leader can provide you with an additional booklet.

Tell us what you think. We want to hear from you. Please include details and specifics. When you have completed filling out this booklet, please hand it to your tour leader or place it in the box next to the refreshment table.

Additional Information

We recommend that you participate in all workshop stops, but it is not required if you have time constraints. Refreshments will be provided at the hotel. Restrooms are available at the Marina del Rey Library, Beaches and Harbors building, and Marina del Rey Hotel.

Thank You!
