Willowbrook Transit-Oriented District (TOD) Specific Plan

Public Review Draft Available Now! ¡Versión preliminar está disponible!

Los Angeles County has prepared a draft of the Willowbrook TOD Specific Plan. The plan promotes improved access to transit, housing, and jobs and a healthier, safer environment for walking and biking. The plan will regulate what types of homes, businesses and facilities can be built and where; building design and street improvements; and parking standards.

Copies of the draft plan and the Notice of Preparation of an Environmental Impact Report are available for review at: planning.lacounty.gov/Willowbrook/TOD and at the Willowbrook Library. The County will hold a **public meeting on Saturday, November 21, 2015, from 10 a.m. – 12 p.m.** at the Hudson Auditorium on the MLK Medical Campus. The purpose of this meeting is to receive comments on the plan and hold a scoping meeting pursuant to the California Environmental Quality Act (CEQA).
