Mr. Hubsch,

We have received your comments and will be submitting them to the Regional Planning Commission in a supplemental package to go out tomorrow. Your boundary requests have been added to our list and will be tracked. We will let you know when a decision is made and what decision we made. I may follow up with a request for more information as we work on determining. All determinations for your parcel will be made after the April 23<sup>rd</sup> hearing.

Regards,  
Emma
