SUBJECT: **PROJECT CONSULTATION
DRAFT HILLSIDE MANAGEMENT AREA ORDINANCE
AND HILLSIDE DESIGN GUIDELINES**

The above Draft Ordinance and Design Guidelines have been reviewed for potential impact on the facilities under the jurisdiction of this Department for which we offer the following comments.

Hillside Management Area Ordinance:

Page 3, item 4 b)

- Please replace "cycling" to "mountain biking."

Page 12, item c (i) b

- Please replace "cycling" to "mountain biking."

Hillside Design Guidelines:

- "Parkland" is included in the Glossary (p. 22), but the term is not used in the document. Instead, there are references to "park sites" and "parks" on p. 6. Please make sure the terminology is consistent throughout the document.
- If "parkland" or "park" is to be included in the Glossary, the definition/description should be consistent with the language in the Parks and Recreation Element of the Draft General Plan. Specifically, please refer to the park classifications on the attached pages from the Parks and Recreation Element. "Playground, plaza, square, green, and park" are not official park classifications.

Thank you for including this Department in the review process. If you have any questions, please contact me at (213) 351-5127 or jyom@parks.lacounty.gov.
