

# LEONA VALLEY COMMUNITY MEETING

## What is this meeting about?

Regional Planning has worked with the Leona Valley Town Council on a revised proposal to update the Leona Valley Community Standards District (CSD).

A CSD is a set of zoning rules which allows a community to shape its look and character. Planning staff will explain the proposal and listen to comments from the public.

**Please come and take part!**

**LEARN** how the proposed update of the Leona Valley Community Standards District will affect your property

**READ** the draft proposal on our website:  
<http://planning.lacounty.gov/ord/draft>  
Or at the Quartz Hill Public Library  
(42018 50th Street West)
