

Topic Proposal Worksheet

In proposing any changes to Title 22 or drafting any County ordinance, certain questions should be answered to ensure that any proposal is necessary and/or not counterproductive to the intent or stated policy goal(s). The following questions help in understanding and maintaining the intent of proposed regulations through the process.

What is the proposal?

What is the problem the proposal seeks to address? / What is the goal?

Who would benefit from this proposal?

Who might be harmed from this proposal?
