NOTE:

Zoning reflects the most current designation as of the date listed "Current as of" below. The most recent zone change ordinances have been incorporated by the GIS section as of their effective date, with the latest Zone Change Ordinance showing in the yellow box above.

The location of zoning boundaries is as accurate as can be portrayed at this scale. For more precise boundary locations, please use our interactive mapping application GIS-NET3, located at the following URL: http://gis.planning.lacounty.gov/GIS-NET3_PublicViewer.html. Or, contact the Land Development coordinating Center (LDCC) at (213) 974-6411.

For more detailed information about the uses / densities allowed in these zoning categories, please see the Title 22 section of the Department of Regional Planning's webpage:
