

**LOS ANGELES COUNTY
DEPARTMENT OF REGIONAL PLANNING
FEE INCREASES**

The Department of Regional Planning increases its fees on March 1 of each year in accordance with the consumer price index (CPI). The CPI for Los Angeles is calculated by taking the preceding December and December amounts. The 2015 increase was not confirmed by the Auditor-Controller, because the increase for 2015 was low and we plan on increasing the fees per the CPI for two years during 2016.

CPI Calculation Effective March 1, 2015
