**Request for Exemption from Disqualification on Eligibility for Historical Property Contract**

Pursuant to County Code § 22.168.050, the Board of Supervisors adopted "Cost Control Provisions" that limit eligibility for a historical property contract. For 2014, eligibility for historical property contracts is limited to the following:

Maximum Assessed Valuation (including improvements and land):

- Single-family Residence - \$1,000,000 or less
- Two-family Residence - \$1,500,000 or less

Pursuant to County Code § 22.168.090, the Board of Supervisors may grant an exemption from disqualification if it finds that *"the subject property is deserving of an historical property contract due to its exceptional nature, or because it is subject to special circumstances not generally applicable to other qualified historical properties."*
