#### Meeting Objectives and Notes

The objective of this meeting is to convene stakeholders across a wide variety of groups, including community groups, non-profits, interest groups, local jurisdictions, and public agencies. The project team will provide an update to stakeholders on the East San Gabriel Valley Area Plan, including available drafts, recent community engagement activities, and next steps. The timing of this meeting is intended to include a wide range of stakeholders, and is held in addition to a variety of other outreach efforts.

For more information about community engagement for the ESGVAP, please visit the [project website](#). This meeting will be recorded for those who cannot attend. As always, we are happy to schedule additional meetings with groups individually, just let us know.

As of 2/27/23, draft ESGVAP materials are available for public review. To view these materials, visit the [project website](#).
