

DEFINITIONS

STREET NAME PREFIXES AND SUFFIXES

ALLEY - A narrow service street for serving rear of lots, less than 30 feet in width.

AVENUE - A broad public street. A street handsomely laid out with trees. A public way named avenue rather than street to denote its peculiar direction. (Avenues north and south, streets east and west). A public way named for its objective or after the thing approached.

BOULEVARD - A broad formally laid out paved public way, 100 feet or more wide, ornamentally illuminated or decorated.

BYWAY - A narrow obscure street probably private. A subsidiary way.

CANAL - (Unique to Venice) A canal or lineal body of water used as transportation.

CIRCLE - A circular junction of streets or highways. A circular street.

COURT - A rectangular pocket off a public way. A "dead end" streets.

COVE - Local road following the configuration within a cove or small bay (see dictionary definition).

DRIVE - A recreational or scenic way of local extent. A road through a park.

HIGHWAY - A publicly owned and maintained way with interurban directness and arterial importance through several cities or communities.

LANE - A narrow informal street or passageway.

LOOP - A circumferential way. A street or way which returns into itself.

MOTORWAY - A truck trail or trail through mountainous terrain usually for fire equipment usage or service access, e.g., power lines, Nike sites, etc. Not for public use.

PARKWAY - A broad public way, divided into drives, bridle paths, walks, and planting strips. A broad formally laid out public way with a planting strip along the center.

PLACE - A short street or court. Also the junction on several highways.

ROAD - A public way or highway connecting two or more settlements or towns generally bearing the name or names of the settlements connected.

ROW - A short street or passage.

STREET - A public way forty or more feet wide, used to give pedestrian and vehicular traffic access to the various parcels of land making up a community. A public way with a direction contrary to that of the avenues of the community.

TERRACE - A short hillside street; a street on a terraced hill.

TRAIL - A pedestrian way through mountainous territory. A rough path in wild country. A public way following an historical route.

WALK - A pedestrian way.

WAY - A narrow road or highway. A lane.
